SUMMER READING ENTERING GRADES 3 & 4

Crisp Academy includes grades 3 and 4 in the summer reading program. Reading skills are essential for success in life. A student's ability to read well relates directly to higher test scores and improved writing skills.

Students entering grades 3 or 4 will be reading on a point system and should try to reach a minimum of 100 points. There are no required book titles, and parents are encouraged to monitor the students' reading. Please use the attached form to log your summer reading. Parents should initial when each book is read and then sign the form when the reading is complete. The completed form should be turned in to your child's teacher the first day of school in August. Students reaching 100 or more points will be recognized and will receive a reading award.

POINT SYSTEM:

Picture Books	5 points each
50-200 Page Books	20 points each
200+ Page Books	30 points each

Books may be read in any combination. The goal is a total of 100 points.
