

"A place to love and be loved"

March 14, 2020

In response to concerns regarding the corona virus, the ***Agape Baptist Church*** of Washington, DC is taking preventative action by postponing all events through March 27th . We are preparing for live stream worship on March 22, 2020 on our YouTube: agapebcfdc and will continue to update information via our website www.agapechurchdc.com and our Facebook page.

2 Timothy 1:7 states, *"For God has not given us a spirit of fear, but one of power, love, and sound judgment."*

As a result, we have made the careful decision to postpone gatherings in order to act with love towards our most vulnerable brothers and sisters who are at high-risk due to the coronavirus. As a result, we are confident in the Lord that He will protect and provide for us as we pursue His glory in all things.

Please join us in praying for those affected by the virus and their families.
