From the President's Desk:

Spring is here and it is time to get involved at the club. Attend a shooting event, go fishing, help with an event or show up for a work detail. I know you are all busy but the old adage really is true: You will get out of it what you put into it.

We are gearing up for elections in May and will be taking nominations for officers and directors. Think about if you would like to help guide our club into the future, and let me know at president@yorkiwa.org or at any meeting.

TROUT COMMITTEE

Overall, the trout are doing well; made it through the winter with really high survival rates for all the trout. The warmer temperatures in March will increase the trout appetite and we'll have nice-sized fish for stocking. And again, Jerry and I want to say thanks to our "Feeder" Volunteers for their continued support of getting the fish ready for spring stocking.

Speaking of stocking— it starts on March 12, 2022 at 8 AM. Members are always welcome to help us stock trout...quite the adventure and much appreciated by our local fishing communities. For more information and other dates, contact Bob Nelson. WE'RE BACK !!! The Kids Fish Derby will return for 2022. The Derby has been on hold for the last two years, so we're looking forward to continuing our tradition. Mark your calendars for May 7, 2022 our York IWLA Kids Fish Derby.

All ages are welcome to participate with trout activities; if you're interested in helping, contact Bob Nelson at treasurer@yorkiwla.org

AND....purchase your vintage 2020 Trout T-Shirts @ \$5. All proceeds benefit our Trout Program. You can purchase by contacting Bob Nelson at treasurer@yorkiwla.org or at our IWLA Open Meetings.

The club will be planting small trees on the club grounds on the weekend of April 23, for Earth Day and the club reforest program. If you would like to help, please come out and enjoy the fun.

BUILDING & GROUNDS

We have a work detail planned for Saturday, March 19th at 9:00 am. Please email me at president@yorkiwla.org and let me know if you plan to attend. This detail is important and I need to know we will have enough help to make it run. We'll be renting a huge chipper and getting rid of the club's brush pile and doing spring clean up around the club. Definitely bring eye and ear protection and work gloves. Chainsaws, lopping shears and boots are a good idea too. We will have a fire to keep warm and should have enough guys to take breaks to warm up and rest. The other purpose of having a list beforehand is that it gives me an opportunity to reach out to you should we have to postpone due to inclement weather. Also pencil May 22nd in your calendar for another work detail.
