

Description of programs

NLV is now a member of JVA. All teams will be registered through JVA not USAVB

Regional Teams

Regional team will play all regular season tournaments at the Westwood Sports Center and two regular season travel tournaments to Rockford, IL. We try to keep these teams to a maximum of ten athletes. These teams will practice one-two times per week. (Typically, one practice during the week and one on Sunday afternoon) All regional teams will be entered in either the Regional Championships in Des Moines, Iowa in April, or the Diggin' in the Dells Championships. All athletes will be required to attend these tournaments. These are the end of season two day tournaments that both parents and athlete look forward to and enjoy very much. It is not fair to the team if at the last minute one or two members back out and effect the competitiveness of the team. The dates for these tournaments are listed on the Tournament Schedule Sheet. Check these dates for conflict and communicate potential issues as soon as possible to Jim Pierce, Kelsey Thurman or your coach.

National Teams

National teams will play in some Westwood tournaments and will also travel to AAU or JVA regular season tournaments. National teams will build their May and June tournament schedules after forming in January. Schedules will be based off what is best for all members of the team. Cost of May and June Tournaments will be split between all athletes on the team. National level teams season ends at the AAU National Championships in Orlando, Florida at the end of June. Full commitment to all tournaments including the tournament in Florida at the end of the season will be a requirement to join a national team. National teams will practice a minimum of two-three times per week. (Twice during the week and once on the weekend if no tournament is scheduled) To be considered for these teams you must check the appropriate box on the Athlete Master Sheet. These teams will have a maximum of 10 athletes per team.
