Have-A-Heart Anatomy Lab

Fee: \$25 per child (includes all materials)

Hmmm. This could go in many different directions!! Something tells us it's not gonna be the hearts-and-flowers-romantic-gooey kind of science...well, maybe the gooey part. And definitely the hearts-and-body-parts part. Anyway, it'll be fun.

Mystical Magic...

or, Remember It's April Fool's Day

Monday, April 1, 10am-noon OR 12:30-2:30pm

SCOUTING GROUP FIELD TRIPS

Available for 2019 Reservations!

Your scout (Boys or Girls) or home school group can join us to help fulfill their badge or curriculum requirements while having a great time at the Workshop! Science Labs will be held from 3:15-4:30pm on a January-April 2019 date of your choosing (based on availability)...groups can stay to play until closing time at 5pm. Each group is required to have 6 or more members; you may be placed with another group in a Lab if there are less than a total of 20 children in a class and there are multiple requests for that day. The charge is \$10 per child; scout leaders, parents and extra siblings (who may not stay in the Lab but can play in the Workshop with their adult) are \$5 each.
