Seller will take every effort to guarantee that every puppy from Cavalier Puppy Place is in good health at the time of adoption. We will not ship a puppy until Seller is certain that the puppy is ready for the trip to your home and has passed a veterinary health inspection and is free from illness. It is **agreed** this pup will never be placed in a shelter. Purchaser guarantees that they will work with/return this puppy so a loving home may be found. It is **agreed** that this puppy will be neutered/spayed by the age of 8 months and will not be bred. Purchaser takes full responsibility at **pick up date** and **agrees** to establish a relationship with a reputable vet to keep up to date on puppy's health care.

We guarantee our puppies for 12 months of age for the known congenital defects Cavalier King Charles Spaniel breed: (i.e. Heart Defect, glaucoma, cataracts). Should the **PUPPY** be diagnosed with any genetically derived medical disorder it should be attested by **two unassociated** veterinarians. If ever a replacement puppy is deemed necessary due to one of the above diseases, the replacement will be made at Seller's convenience, out of the next available litter bred by the seller. The replacement puppy will be comparable value to the purchased puppy. **NO REFUND** of money at any time, only replacement

Condition for replacement

1. Notification: Two letters of unassociated veterinarians must be received explaining congenital defect.

2. If puppy has not been neutered or spayed and is above 8 months old, this health guarantee will be void.

Be Aware that:

- 1) While Seller will make a good faith effort to estimate the color, and the size of the puppy based on past litters and size of the parents, seller does NOT and CANNOT guarantee size, color, temperament or non-shedding since it is a hybrid breed.
- 2) Small puppies and dogs are very fragile and every precaution should be made in handling them. Their bones are tiny and they are easily injured. This contract is not applicable for accidental injury to the puppy. Seller does not guarantee against shipping mishap once the puppy is in the care of the airline. Insurance is provided in the shipping cost and any claims for damages whiles shipping shall be made by the Buyer directly to the Airline.
- 3) Providing adequate exercise, training and human contact is a necessity in owning any canine.
