

The 12th Annual AP Statistics Collegial Circle

Focus: AP Statistics Review of the 2018 Examination

*****Free Registration*****

NCAMS invites teachers of Advanced Placement Statistics and other interested teachers to attend its meeting on the 2018 Advanced Placement Statistics free response questions. Teachers will discuss solutions, share strategies, examine student misconceptions, and analyze rubrics. This is a wonderful opportunity to network with your AP Statistics colleagues in other school districts.

Date: Thursday, October 18, 2018

Time: 3:45 PM – 5:15 PM

Site: Jericho High School, 99 Old Cedar Swamp Road, Jericho, NY 11753

Room: 130

RSVP: Please respond via this Google form [Google form](#) ASAP to Helene Kriegstein, or email: hkriegstein@jerichoschools.org.

Directions:

LIE to exit 41N or Northern State Pkwy to exit 35N. Head North on Route 107, pass the Milleridge Inn; the road spits – stay to the left (but in the right hand lane) and you will see a sign for Jericho Schools. Make a left on Cedar Swamp Rd., and you will see the main campus. Drive straight through the traffic light, and make the next right after the traffic light which is the northernmost entrance to the school. You will pass a parking area; drive down to the “pit” which is the faculty parking lot. Enter the building and follow signs for NCAMS.
