

Policies and Procedures

The Aronimink Swim Club is a non-profit corporation operating under a charter granted by the Commonwealth of Pennsylvania. It was established in the early 1930s and moved to its present location in 1950. The Club operates according to its Bylaws, copies of which are available to its members. We are handicap accessible and ADA compliant to the extent required by existing law.

Our insurance information is provided to members upon request. The Club shall not be responsible for any theft, loss, or damage to personal property within the pool complex.

Membership

Applicants (except for former pool members) must reside within the pool boundaries. A map showing the boundaries is located on the website www.aroniminkswimclub.com under the membership tab. Families living within the territorial boundaries who wish to join the Club and any prior members who live outside the boundaries should complete an application which is available at the Ticket Office or on the website. An applicant must be 18 years or older.

There are 2 categories of membership: Active members and Associate members. Description of each is set forth in the Bylaws, Article II. **Bonds are nontransferable to other members of the family.** Bond members' name must be on the membership.

Applicants who are being processed for membership will be notified and requested to attend a mandatory introductory meeting prior to the opening of the Club for the following:

- Payment of the initiation fee, share of stock and annual dues/operating fee.
- Provide a forum for applicants to ask questions, request information about the club and its operations.
- Briefly review rules and regulations governing use of the facilities and conduct of adults and children.

Since the Club is authorized to issue only 1000 bonded members, an Associate member may have to wait a few years before becoming an Active member.

Admittance to the Pool

You must enter through the front desk, give your name to the staff, you will be identified by your photo and then be admitted to the pool.

- Ages 0-10 must be with an adult.
- Ages 11-13 can enter the pool without an adult.
- Ages 14-17 can sign in a guest.

Dues/Operating Fee

All members are obligated to pay annual dues/operating fee whether they use the facilities or not. If dues/operating fee are not paid, the Board of Directors has adopted a policy not to return the \$100 paid for the share of stock. The board **may** grant a bye year (operating fee of \$175 will still be charged). A bye year is granted on a case-by-case basis.

Dues are established annually by the Board of Directors. If a member's dues are not paid on or before the cut-off date, he/she will be charged a late fee of \$50. Payment must be postmarked no later than the cut-off date.

If dues are not paid prior to opening day of the pool season, you will not be able to enter the swim club because a **RED FLAG** indicating an unpaid balance will pop up next to your name. The late payment must be included with dues paid at the front office.

*** No one may use the facilities at the Aronimink Swim Club unless they have paid their dues in full.**

Guest Privileges

Guest policy is pay as you enter...\$10/day pass. Guests are permitted from inside and outside the pool boundaries. All members must be present while their guests are at the pool. Any member who ignores this rule will lose their membership. Guests will be admitted only when accompanied by a member 14 or older.

Members can also purchase special guest passes that can be used as follows:

- **Houseguest (pink)**...for persons outside an immediate family (as defined in the By-Laws) who live in a member's home, such as married children's spouses and grandparents. **(an additional fee is charged for each person with valid proof of residency)** This is valid for an entire season and will need to be updated each year.

- **Purple house guest (caregiver)**... for families who have a non-member living outside of their home caring for their children. An adult member must purchase this special caregiver guest. If you are interested in purchasing this pass, you can go to the website and click on the link to download the authorization form and guidelines. Can only be used when visiting with pool member's children. If parents come with them, then the caregiver needs to come in as a guest.
- **Waiting list August past card**... for a monthly fee family on the waiting list prior to June 30 may purchase an August membership for the whole month or pay a daily admittance fee for use during the month of August only. The membership is valid only for the year in which it was purchased.

***These cards are not transferable or redeemable. An eligible family may purchase more than one card.**
