## MEETING MINUTES FROM SEPTEMBER

The River City Cruisers Car Club meeting was held at the Hermann Library on September 25, 2023 with 20 members present. The meeting was called to order by President Doug Smith. The meeting minutes from August were read and the treasurer's reported a balance of \$6135.16.

### Old Business:

The car cruise had an income of \$2263 and expenses of \$351.75. We made \$1911.25 in profit compared to \$1624.72 from last year. We do still have one sponsorship and the porta-potty bill outstanding.

We had 8 kids participate in the scavenger hunt. We also talked about switching up some of the items to find (window crank, vent window). We can discuss prior to next year's cruise.

We had 61 cars this year, including member's cars. There are other shows going on in the surrounding area so we discussed if we should change our date or just try to advertise more. With advertising, it was discussed making some signs to put along the highway at various locations. Karen Straatmann motioned to keep the cruise on Saturday and Greg Finazzo seconded it.

We will need to get a new DJ for next year as he has moved out of state. Jim Bond is going to check on the DJ used in Jonesburg.

### New Business:

The end of the year celebration will be held at Wilmer & Josie Erlfing's house on January 7th, more information will be sent out closer to the date.

If anyone is interested in going on a Fall Color Run, just email the group when you see the leaves changing and a good route to take.

Next cruise night, weather permitting, is October 13. The meetings will resume in 2024 at the Hermann Library on the 4th Monday.
