This study looks into the Design of Trump Tower, its Numerical Value in terms of Ground Length to various other Sites of New York City and the unique Architectural Design of the Outdoor Atrium that is set upon a Terraced 6 Step 'Hexagon'. One's discord will show how this Terrace 'Hexagram' is actually what was intentionally designed as an 'Inverted Pyramid'. How the Hexagram is constructed is that the Trump Tower, is itself the Pyramid. In conceiving the 2, it produces a Tetrahedron that in turn produces a Perfect Cube.

One will then make some Numerical Calculations that attribute this Design, in particular with the infamous Mark of the Biblical Beast and his Number Value of 666. For those that subscribe or believe that Trump is the Biblical AntiChrist, such Pieces of Information that will be suggested will perhaps give some credence to this Notion. However, one is not convinced, other than, that the Spirit of AntiChrist or at least his Numerical Signatures are vastly incorporated in his Tower of Power, in one's Intimation and how one will present them.

For those that like Puzzles, solving Encryptions and who look into Numbers for Patterns and Hidden Meaning, this study will be interesting. Tower is designed based on Modernism, inaugurated on November 30, 1983. The Cost was \$300 Million U.S. Dollars. Note that the Height is 664 Feet Tall, just 2 Feet shy of the Biblical 666 Number. That Number is attributed to the Signature of the AntiChrist's Numerical Value. However, if one uses a Unit Converter, 666 Feet is still technically 202.99 Meters.

The number of Units is 232, which is another Numerical Factor of 322, the famous Luciferian Bavarian Skull and Bones Secret Society's Signature. The Trump Tower Design incorporates the Architectural Features of Massing and Vertical Setbacks that gives the Building its unique Design and Modernist Appearance. Where the 'Hexagram' Effect is incorporated is at the Bottom of the Building that is designed with Terrace Blocks, nestled against the Building's Setbacks.

The Stepped Massing or 'Hexagram' Design at the Entrance of the Corner of 5th and 57th Street is what one wishes to elaborate on. The Block Design, all 21 of them, (7-7-7) begin around the 5th Floor. This 'Hexagram' Design is where there is an outdoor Atrium set upon the Blocks. In one's Interpretation, it is an 'Echo' to the Hanging Gardens of Babylon. Perhaps. The Designer of Trump Tower, Scutt placed an 'Inverted Pyramid of Cubes', as he called it at the base. Here is your, 'Hidden in Plain Sight' Hexagram or 'Star-Gate'. The following is an excerpt about the Tower for Context.

Trump Tower is a 58-Story, 664-Foot-Tall (202 M) Mixed-Use Condominium Skyscraper at 721–725 5th Avenue in the Midtown Manhattan Neighborhood of New York City, between East 56th and 57th Streets. The Tower contains the Headquarters for the Trump Organization, as well as the Penthouse Residence of its Developer, the Businessman and later U.S. President Donald Trump. Several Members of the Trump Family also live, or have lived, in the building.

Der Scutt of Swanke Hayden Connell Architects designed Trump Tower and the Structural Engineer was Irwin Cantor. Although it is in one of Midtown Manhattan's Special Zoning Districts, the Tower was approved because it was to be built as a Mixed-Use Development. Construction on the building began in 1979. The Atrium, Apartments, Offices, and Stores opened on a Staggered Schedule from February to November of 1983.

After Trump's 2016 Presidential Campaign and subsequent Election, the Tower saw large increases in visitation, though Security Concerns required the area around the Tower to be patrolled for several Years. The Tower is a Reinforced Concrete Shear Wall Core Structure. At the Time of its completion, it was the tallest Structure of its Type in the World.

The NBC Television Show, The Apprentice was filmed in Trump Tower, on the 5th Floor, in a fully functional Television Studio. The Set of The Apprentice included the famous Boardroom, which was prominently featured in the Television Show, where at least 1 Person was fired at the end of each Episode. The cost of Condominiums at the tower started at \$600,000 and ranged up to \$12 Million, and the penthouse was sold for \$15 Million in 1985.

In terms of the Person of Trump or perhaps 1 of his Alter-Egos, Trump Tower served as the location for Wayne Enterprises in Christopher Nolan's, The Dark Knight Rises. Many Supporters of Trump could very well see him as the Cape Crusader cleaning-up Gotham City or rather New York City. Perhaps. But the Trump Tower of Power has been plagued with much Controversy and History, too long to list here. In reading the long 'Laundry List' of Events, it has been rather eye-opening.

One can tell a Person's Disposition and Deals based on who his or her Interactions consist of. And if one wants to really know how such a Person deals with People, must look at who is allowed into their Space. And as Trump is foremost a Businessman, Deals are the Art of his Craft, be thy Russian Mobsters, Soccer Players, Chinese Banks, Saudi Princes and Extravagant Artist and Musicians. The Bottom Line is the Dollar and what you can sell to make Revenue. One can also tell a lot about a Person based on what his 'House' or Tower looks like or is designed and who or what is allowed in.

The following will now show such Factors that one sees and is purely suggestive and based on one's Interpretation. As mentioned, the primary depiction that one wishes to center on, of the Trump Tower is the Iconic Design of the Inverted Pyramid that constitutes the outside Atrium. It is rather novel and beautiful but it is hiding a Kabbalistic Design Meaning and function, in one's Estimation. Consider the specifications. The inverted Pyramid has 6 Steps on the 5th Avenue side and 6 Steps on the 57th Street Orientation.

The Sacred Space

Then the Back-Stepping Side of the Tower has 6 Steps. Here is the encrypted 666 Signature incorporated into the Tower. Obviously, in Geometry, a Triangle will have 3 Angles of 60 Degrees. What one is insinuating is that the Inverted Block Pyramid that this Outside Atrium construes, can be then corresponding to its inversion, means that the Triangle that represents the Tower, upright then configures an Encrypted Hexagram. And that if one 3-Dimensionalized it, it configures a perfect cube. And that is precisely what the 21 Cubes represent. The Hexagram, in Geometry, has 3 Levels of Depictions. It has the following.

6 Points

6 Triangles within the Hexagram

6 Sides within the inner Space

It is this Inner Space that produces the Cube or 'Kabba' as in the Black Stone or rather Black Rock. One can think of how the Tower of Power in the Bible was that of the very Temple of YHVH. At the core of its Design was the Holy of Hollis that was exactly a Perfect Cube. And it is as one contends, a product of a Tetrahedron,, or 2 interlocking Triangles or in a 3-Dimensional Space, Pyramids as the Designer of the Tower, admits. So, why this particular Design that incorporates the 666 Number that is associated with the Dark Knight, i.e., Lucifer?

The following will be the other various 666 Numerical Value connections in the Tower and from the Tower. If one takes the Numerical Value of the Physical Address and adds those up, notice the result. The Tower is at 725 on Fifth Avenue. The Cross Street is 56 East Street. The Tower has 58 Levels. So, if one adds the 56 and the 58 Stories the difference is 114. If one then subtracts the 114 from the 725, the result is 611. And? An Inversion of this Number would give one 911. Coincidence? Perhaps.

725 5th Avenue Address (58 Stories + 56 East) = 114 Difference

725 - 114 Factor

= 611

An Inversion of 611

= 911

But 911 will have a direct connection with the Tower to Ground Zero where the Twin Towers were demolished on 911, or September 11, 2001. And? Consider that Biblically, many Students of the Bible are convinced that the Birth-Date of Jesus was precisely on that Date. This is corroborated by the Astronomical Retrogrades and Conjunctions of Jupiter and Venus in Leo at the Time, etc.

Now the following will be further 666 Numerical Values associated with the Trump Tower. Consider that from the Tower to Ground Zero where the Twin Towers were demolished it is exactly 6.66 Kilometers, from the Entrance to the Trump Tower to the Entrance of the South Tower. Coincidence? Perhaps. But also consider that what is left of the Twin Tower is just their Square Base Signature.

Christ Complex

From a Top View, it looks like 2 Dice called 'Snake Eyes'. And? That is the Term or Notion of being Deceived. And that is what 911 was all about, Deception, hidden in plain sight. The Dealers who made such a 'Deal' are boasting to the World about it, if one has Eyes to see it. It was an 'Inside Job'. It was a Luciferian Blood Ritual. Then consider the Ground Distance from Tower to the 666 5th Avenue Address. That is the Address of his Son-in-Law, Jared Kushner who had formally purchased the Building at that address. It is exactly .33 Kilometers. Coincidence? Perhaps.

Then from Trump Tower to Rockefeller Plaza where the Statue or Monument to Lucifer is erected, is exactly 666 Yards. Lucifer? Yes. The Statute of the 'Golden Boy' or Prometheus is in actuality another Mark of the Beast 666 Encrypted Innuendo. It is a Tribute to the 'Lord of the Ring' And that Ring has the 12 Constellations depicted. It is ascribing the Meaning and Glory to Lucifer rather than to Jesus Christ, whom the 12 Constellations tells the Story of the Stars in how the Plan of Redemption was to be achieved in the True Christ.

A) Trump Tower to World Trade Center.
= 6.66 KM

Where Towers Fell on
= 911

B) Trump Tower to Son-in-Law's former Building @ 666 5th Avenue.
= .33 KM

C) Trump Tower to Rockefeller 'Lord of Ring'.
= 666 Yards

The Value of .33 Kilometers is the same as 333 Meters, .18 Nautical Miles, another 6-6-6 deduction .21 Miles or a 7-7-7 Deduction and 365 Years. This last Value of 365 is also seen in the Triangulation of the Tower. How so? From a Top View the Distance of its Perimeter is exactly 365 Yards. This alludes to the Calendar Year and factor of Time. Is it any wonder how there is a Clock at the Entrance of the Tower. It is, in one's Interpretation, an Homage to Chronos, the God of Time, the Dark Night as in the Grim Reaper, AKA, Lucifer. Is it any wonder why even in Trump's Pedigree he bares the Name of 'Christ'?

Contrary to Trump associating himself with his Scottish Heritage, which he does have, he is more German and perhaps Jewish that revealing. According to his Family Tree, his Father helped Jewish Causes in Germany. This does not make one a 'Jew' but the implications of one doing so, being sympathetic when Anti-Semitism was on the rise in Germany is perhaps a suggestion. But it is Lucifer's attempt in usurping the Credit of having made Creation. And he is offering a deal with Humanity. In fact, according to Genesis, the Original Dealer was and is Lucifer. He made a Deal with Eve. And that was through Deception, of course, but convinced Eve that he had a better Deal than YHVH. Eve and Humanity have fallen for it.

And to this Day one is more convinced that GOD's People in Jesus Christ have fallen for this Divine 'Dealer' of this Tower. One is convinced that his 2nd Term will likewise parallel a desire to Build another Tower of Power, the 3rd Temple. It is all about Real Estate, Deals and 666 Signatures. Now if Trump is aware of these Hidden or Encrypted Hexagram and 666 Numerical Values that are directly attributed to the Biblical AntiChrist? One is not sure, but having now been U.S. President, he has been privy to varying degrees of Secrecy that does exist at those Levels of World Governments.

ORION STAR GATES

Sacred Patterns of Heaven on Earth

What is Heaven like? Many have had Out of Body Death Experiences and Describe Heaven with the Most Pleasant of Sights, Smells, Animals, Scenery, etc. But in terms of its Structure, how is it Configured? What Measurement Standard is being used? Now one realizes that this will not be possible to Ascertain. But are there Clues as to how it is Configured and what are its Dimensions, perhaps? Yes. Biblically Speaking, the Bible does provide a Patchwork of Data Points that this Book will seek to Investigate and Present as Evidence.

DIMENSIONS OF EDEN

Battle for Humanity's Soul

The purpose of this Book is to investigate and ascertain the possible Geographical Location of the Garden of Eden. The Presumption is that certain Locations in the Middle East as in Temples, Ziggurats, Pyramids and Cities, both Ancient and Modern have been built perhaps on the very Ley-Lines of the Dimensions of Paradise or Eden itself. This study assumes that 'Paradise' had existed Geographically, if the Bible Account of Genesis is to be taken Literally.
