Quarry Road, spraying ditches, and putting in a culvert on Niles Road. Craig was also notified by the police that a tree had fallen down on Lax Chapel Road and went to take care of it. He further worked on the mower so that it is ready to mow the ditches.

Craig noted that Mark Litz donated a 100 gallon tank for the sprayer to spray the ditches. Supervisor Lax stated that a gift certificate should be given to thank Mr. Litz for his donation. Chairman Christel directed the clerk to obtain the certificate and give it to the Road Superintendent to give to Mr. Litz.

Craig further stated that he had the pressure washer fixed as it had not been serviced since 1998 and it was not working properly. The pressure washer had to be descaled 4 times and the pump was changed in order for it to work.

Craig reported that he checked with Truck Equipment and asked the Board if they thought it would be a good idea to get a 10 foot wing put on the truck instead of a 9 foot wing. Craig added that the cost would be another \$300 more for the 10 foot wing. Chairman Christel said that he would put it on the agenda for the Special Meeting to be held on June 17, 2020 to discuss the options of the wing length.
