'2016's Best Chips & Clippings Yet' - One member's exclamation on receiving this year's 19-page issue!

The US Postal Service reports unusually heavy Election Year mailings this month may be delaying your hardcopy of C&C! For an Electronic Copy (download) visit the FaceBook Group (amc trail crew alumni) or email bwhiton@maine.rr.com.

See below solicitation for TCA Board participation. We need your participation and ideas!

See below for Shelburne Cabin Work Party (11/11-12). We need your muscle!

We need to discuss these and other matters related to the cabin with incoming crew members, cabin users and the Board.

Trail Crew Association

Call For...Nominations to TCA Association Board!

With two resignations earlier this fall, your Board now numbers seven, and **needs new blood**. According to our Articles of Incorporation, "the association is governed by between five (5) and fifteen (15) Directors" (Article VII). Nominations will be called for during the Annual Meeting, and voted on by all members in good standing (i.e. have you paid your dues?).

Two members have stepped forward, Mark Dannenhauer (1966-69) and Bruce Jacobson (1974-77, Trail Master '77) as nominees for 2016-17. Thank you Mark and Bruce!
We welcome additional volunteers. How about some 1980s and 1990s crew (or more recent)?

Shelburne Cabin Work Party Friday and Saturday 11/11-12

Master Builder Bruce Davis offered to continue roofing, guttering and general work at the cabin with Jon Vara and Jim "Riley" Ludwig. Bob Proudman will prepare a spaghetti supper with sausage, meatballs and garlic bread on that Veterans Day Friday. As always, there's plenty of work inside and out. Incoming and outgoing Trail Masters Sam "Archie" Kilburne and Ashley "Switchback" Fife will be attending as well.

So - if you want to eat - let Bobe know (RSVP 301.648.4875 by text message or phone **By Nov 9**), Show up by 6 PM at the cabin. BYOB please.

Bruce wants to experiment with LED lighting for fire safety and convenience, so-if you want to participate-buy this 4-D-cell lantern from Amazon: [Spektrolight 400 Lumen Battery Lantern with Nightlight, 4 D batteries, Camp Lantern, Emergency Lantern](#) Only 14.99 excluding batts. We're assuming current crew can have rechargeable D-Cells and plug them in at Pinkham/Camp Dodge then use them at the cabin.

Plans to upgrade the cook stove are in the works as well.

Annual Reunion - Be there!

Saturday, November 12th

Attend to hear about planning for the 100th Anniversary of Trail Crew (2019) and more!
