

**TO ALL NORTHERN ROBERTSON VILLAGE RESIDENTS
SNOW REMOVAL ALERT FOR FRIDAY, 9/11 - SATURDAY 9/12**

According to the weather forecast, we are expected to receive accumulating snow fall beginning late Friday evening and throughout the day Saturday and possibly ending Sunday.

In order for the snow plows to be able to remove the snow, Cars should not be parked on the main artery streets along 41street, Robertson, Blvd., Robertson Court, and Sunshine Ave. Snow plowing will only be done if the accumulation reaches 3 inches and above. We encourage every resident to be careful if you must get out and to be safe.

Sincerely,
NRVHA Board
