BASIM KHAN, MD, MPA TO SERVE AS THE NEIGHBORHOOD HEALTH'S PERMANENT EXECUTIVE DIRECTOR

Keith Hearle, President of Neighborhood Health Board of Directors, announced today that the Board of Directors voted unanimously to ask Basim Khan, MD, MPA, current Interim Executive Director and Medical Director, to serve as the organization's permanent Executive Director.

Dr. Khan joined Neighborhood Health in 2011 as an internal medicine physician. He has been serving as Medical Director since 2013 and Interim Executive Director since September, 2014.

Dr. Khan received his MD from the University of California, Los Angeles, and residency training from the University of California, San Francisco, in a primary care program based at San Francisco General Hospital. He also has a Master's Degree in Public Administration from Harvard University's Kennedy School of Government, where he was a Center for Public Leadership Zuckerman Fellow. Dr. Khan is Board Certified in Internal Medicine and speaks English, Spanish, Urdu/Hindi, and Pashto.

Neighborhood Health (formerly Alexandria Neighborhood Health Services, Inc.) is a 501 (c) (3) nonprofit organization and a Federally Qualified Health Center, providing high-quality primary medical, dental and behavioral health services for more than 17 years in Northern Virginia. In 2014, Neighborhood Health was one of 57 health centers (out of 1200) recognized as a National Quality Leader for exceeding national benchmarks for chronic disease management and preventive care. Neighborhood Health currently has five convenient locations in the City of Alexandria, two in Arlington County and two in South Fairfax County. Medicare, Medicaid and most private insurance are accepted at the health centers. A sliding fee discount schedule is also available based upon family income and size.
