KIWANIS MEETING OF September 16th, 2019

Our meeting today was an ordinary meeting. BUT----there was an Extra Ordinary program!

Maria chaired the meeting and read the prayer.

Fifteen of us---Maria, Anne, Pat, Bob R, Vince (Nancy), Dal, Dave, Emmet (Ruth), Bob F, Ann, MaryPat (son) and Ben---enjoyed a meal of pasta noodles with meat chunks and sauce, mixed greens salad and French bread.

Ann led us in singing “In The Good Old Summer Time” in recognition of the last full week of summer, and the “Packer Song” to recognize the second Packer victory.

A happy dollar was from Anne who went to the Packer game and enjoyed the win. Anne also told us that we will have our annual luncheon visit to Nicolet School on a Monday noon in October. The date will be announced when it is established.

Our “Extra Ordinary” program was presented by Dal Wood as he told us about his recent whitewater rafting adventure on the Snake River in Idaho. This presentation was the first of two shows. Dal will present the second installment next Monday (September 23rd). Dal and his son Steve, who lives in Eau Claire, flew to Idaho where they were met by a representative from the Outfitter Company that organizes and guides the tour. There were 21 people

on the six day tour, including some families with children, plus 8 guides. Dal started his program by showing us a large map of Idaho and pointing out the highlights of that state. Dal graduated from the University of Idaho and his familiarity with the state was very evident. Dal showed us several pictures that he took at the assembly area before the start of the tour and told us about the organization of the tour. Next week Dal will show us pictures that he took during the tour on the river. I'm sure that everyone who was at the meeting Monday will want to be at the meeting on the 23rd to see pictures of the river rafting. For those members who were not at the meeting last week----COME this week!

#### Other Programs:

September 30th our speaker will be Matthew Johnson, the political director for Marsy's Law. He will tell us about a proposed Wisconsin constitutional law change for victim's rights.

October 7th Green Bay Mayor Eric Genrich will be our speaker..
