Update from Tracy at The Rose

Hi all,
It's Tracy and I am happy to announce that the Dr. has told me I am Cancer Free! I still have a problem with my incision but I will mend faster now that chemo is over. I want to thank everyone for your thoughts and prayers because without them I may not be here today. I am currently been coming back for a few hours a day and hope that I will be able to return to full duties soon! While I was gone, i couldn't wait to get back to work because I love what I do! Back to having fun!

Tracy

Good for a laugh...
