

SECURITY UPDATE

GHC Still Needs YOU...

We are starting a **Community/Neighborhood Watch**
Due to increased security issues.

We would like to have all areas of our complex covered.
Safety of our community is taken very seriously.

We need those willing to
“SEE something & SAY something”.

If you are interested in participating in this
security network,
Please call Kathy Manware @ 727-232-2585,
Or Bob Perry @ 937-902-1083.
