## WE'RE MOVING!

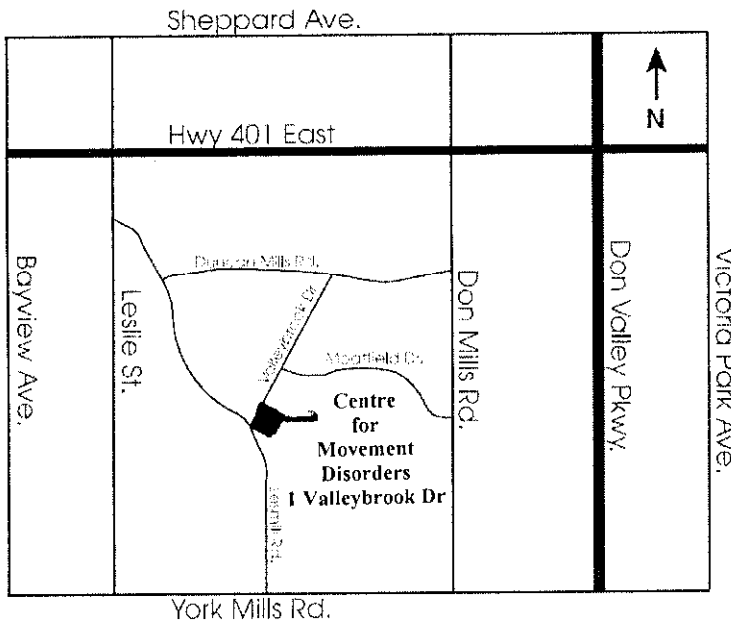

Effective **January 1, 2015**, I will be moving my practice to a new location.

Our new address will be **1 Valleybrook Drive, Suite 400, Toronto, ON M3B 2S7**. The closest major intersection is Don Mills and York Mills.

We will be sharing facilities with the Toronto Memory Program. There will be a shared waiting room however we will continue to operate independently. If there are any concerns or issues please contact us directly.

We are planning to change our phone number but we have not been allocated a new number as yet. After the move there will be a message on our current phone and fax lines to identify these changes. Until then, please continue to use our current phone and fax number.

I realize that change can be difficult and I apologize for any inconvenience this may cause. My staff and I hope to make the transition as smooth as possible for you and your family.

**New Office Location:**  
1 Valleybrook Drive,  
Suite # 400  
Toronto, ON M3B 2S7

Please note that this office location has free parking in the back of the building. Limited accessibility parking is located on the south side of the building. The accessibility entrance to the building is located on the south side of the building but there are multiple entrances available.

Sincerely,

Mark Guttman MD, FRCPC
