A Note from Rick: Tuesday's markets were all very steady. There really is not much new to report. Spring is finally here and it feels good. After a long winter, its great to get back into the swing of things. The Draft Horse Sale started things off with a bang and was followed up by a successful Haflinger sale on Saturday. The combination of nicer weather and more outside activity has really created a buzz in the horse market. I couldn't be happier with the direction that TLA is headed and have received tons of positive feedback on the facility and the people at TLA. Thanks to the support of the consignors, buyers, bidders, employees, advertisers, vendors and spectators....we are really on to something here. There is so much positive energy coming in and out of these doors that it is an exciting place to be. We've got several sales coming up and are looking forward to building on this momentum. We've got the special springer and feeder sales coming up this week followed by the Riding Horse and Driving Horse Auctions. Hope to see you at TLA!
