

Trojan Stadium – Wolf Creek Air Conditioning Field

The Coldspring-Oakhurst CISD Education Foundation held a fundraiser in 2014 to raise money to provide grants for teachers. The fundraiser was held at the Cape Royale clubhouse with over 120 community members in attendance. An auction was held and one of the items up for bid was “Name the Field” at the Trojan stadium. Samantha Edwards representing Wolf Creek Air Conditioning was bidding along with several others in attendance. Samantha was the successful bidder and as a result the field at Trojan stadium will be named “Wolf Creek Air Conditioning Field” for one year. The Coldspring-Oakhurst CISD Education Foundation is a non-profit organization whose goal is to support education excellence and promote community engagement in the COCISD. All money raised goes toward grants for teachers. What a wonderful way to support the schools and teachers.
