

Professional Staff Time Schedules

The following policies shall govern the work schedules of professional personnel.

The work year for regular, full-time professional employees, employed on a school year basis, shall be as specified by contract.

The length of the work day will be set at the discretion of the Administrative Director.

Certified staff will be expected to respond to extensions of the work day or work week as required for inclement weather, inservice activities, staff meetings, necessary supervision of students after school hours, and for meetings with parents as determined in the sole discretion of the Administrative Director.
