

# **2019/2020 Dance Me Recital Costumes!**

Please Note \* We did our best to choose costumes that will not go out of stock. We also waited a little longer to put this info out in hopes that we will not have to make changes like last year. However, all costumes are subject to change based on availability since we have no control over the costume companies. Thanks for your understanding!

**All Final costume payments are  
due January 15th.**

**If you are on autopay they will run  
January 1st.**

**This document is organized by teacher**

**Tights:**

Combo classes (ballet/tap/jazz) for levels **Preschool, Kindy/1st and Blue** have tights included. For all other levels and styles of dance we will have necessary tights available for purchase closer to the recital for anyone who is in need of a new pair!
