

# Washington State Dahlia Society April Meeting

April 15th, Fircrest Community Center 7PM

Hope everyone has a Wonderful Easter! At this months meeting we are having a special guest from the Master Gardener's group. Should be interesting!

ALSO we will be having Our FUN TUBER AUCTION!!! So Bring your pocketbooks!!!

If you have any tubers you think another member might be interested in Growing, a new variety, or perhaps a variety That is a bit difficult for some to winter over, please consider bringing them for the auction! The money we raise goes towards our show Labor Day Weekend! A picture is always helpful as well as the information as to size form and color!

I will be providing the treats for our meeting! Humm, wonder what I should bring?

*The Spring Fair is THIS WEEK. I want to thank all those who have volunteered to help and those who have donated tubers so our Dahlia show Labor Day weekend can be a huge success!*

*I am still taking donations if you have anything you are not planning on planting for yourself this season please consider donating as we could use all we can get! Thank you,*
