

CHALLENGES

Creating Resilience: A Planning Initiative

Acknowledging Challenges As We Move Forward Together →

Stop Flooding

Improve critical infrastructure, shoreline protection, and the drainage system.

Workforce Development

Job training and placement programs.

Housing

Preserve & expand affordable options and promote home ownership.

Community Business

Attract and support minority owned businesses.

Youth Investments

Programming to empower the next generation.

Environmental Justice

Reduce industrial footprint & support community health.

Community Policing

Increase trust between LBPD and community.

Healthy Communities

Increased mental health services, substance abuse prevention, and family planning.

Community Barriers

Improve access to the rest of the City.

Green Spaces

Increase beautification, including public art & streetscaping.
