full of wrong, you're the thing that's right. finally made
it through the lonely, to the other side.

star. i'm at the edge of my emotions, watching the shadows burning in
the dark and i'm in love. and i am ter -

life. and this
could be good, it's al - rea - dy bet - ter than that. and no

all that you need if you'll let me try.
