

2019 Jr Bulls Classic Wheelchair Basketball Tournament Program Advertisement Order Form

It is through the generous support of individuals such as yourself that our athletes are able to *Live Life to Its Fullest* through their involvement in the sport of wheelchair basketball. Synergy Adaptive Athletics will host the *2019 Jr Bulls Classic Wheelchair Basketball Tournament* on Saturday, November 16, 2019 at Fountain View Recreation Center, Carol Stream. The tourney will host eight teams, comprised of roughly 100 athletes and coaches from around the region.

We are seeking support in making opportunities like these a possibility for our young athletes (Ages 6-high school). You can support Jr Bulls athletes by purchasing an advertisement in this year's event brochure. Whether simply wishing an athlete/team good luck, honoring someone's memory, or advertising a business or program, you can play a role in making these impactful opportunities a reality for these young athletes. Thank you for your support!

Important Ad Information

*Ads must be sized to the purchased space. Artwork and messages are subject to Synergy approval. No ads will be run without full payment. Ads must be in one of the following formats (.pdf, .jpg, .png). Printed in color. **Final date ads will be accepted to be included in brochure is Friday, November 1st at 5:00pm. Checks may be made payable to "WDSRA".***

Ad layout/artwork/logos may be e-mailed to Jason Stubbeman, Synergy AA Coordinator at jasons@synergyaa.com.
