To the Sherburn and Welcome City Councils,

The department logged 134 calls for service in the month of September. This brings the total for the year to 1,513. In comparison, the department stood at 1,496 in 2017 and 1,584 in 2016 for the same reporting period.

Response time average for the month was 2 minutes 57 seconds. This is right at the average for the department.

The department web-site saw 2,031 visits in the month of September. This is significantly lower than our average of 2,725 visits.

School is back into regular schedule and everything has went smooth so far. Homecoming week went well and the department again provided additional security at the school during the week. There were no incidents of significance this year.

We were notified last week that we received a grant from Valero for approximately \$10,000 toward the cost of replacing our in-car camera systems. The department also received \$5,500 from the Martin County Area Foundation last year, so these two grants will cover virtually all of the costs of the new cameras. I would like to thank both of them for their generous support of the department.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".

Brad L. Hughes
