Exalted Ruler Message

Hello Everyone:

Well, we have been dealing with COVID-19 for eight months now. I hope everyone is still doing well and staying healthy. It is hard to believe it has been eight months already. I would like to take a moment and say thank you to everyone that has been helping at the Lodge. It is exciting to see more and more members coming to the Lodge. We are continuously working on our safety practices and trying to improve everything we are doing. We are trying to open the Lodge a little at a time while providing a safe environment for everyone. The health and well being of members is our priority. November is the month we honor our veterans. This great

country of ours is free because of our veterans and their families and the sacrifice they paid for our freedom. Many times in life we may not get along with each other and we may even fight amongst ourselves and that is okay. Because when the time comes we all stand up and stand together and become one great power. This country we call the United States of America is the greatest of them all. As a veteran myself I was honored to serve this great country. It makes me tear up when I think about my fellow veterans and our love for this great nation. I salute each and every veteran in our Lodge.

I give you my thanks.

Fraternally
Kelvin Kos, Exalted Ruler
