

Join Carl DeMaio... To Take Back California!

VOLUNTEERS NEEDED

Through his Reform California, Carl DeMaio has announced four important projects as part of a comprehensive strategy for getting the “coalition of common-sense citizens” to fight back against the liberal tax-and-spend Super-Majority in California. Volunteers and support are needed for four key projects that DeMaio has underway:

Stop the Tax Hikes

With their new power, California Democrat politicians are cooking up taxes and the state and local levels! Carl and his team already beat back the “Text Tax” in December. But more tax hikes are planned. The current campaign is focused on blocking the “Water Tax,” a massive sales tax planned locally, and the attack on Prop 13. Of course, we haven’t given up on the Gas Tax Repeal – news on that soon!

Audit the Voter Rolls

The Democrats have passed motor-voter laws that have intentionally made our voter registration process a complete mess! Illegal immigrants have been registered to vote and many duplicate voter registrations have been found. Reform California is working to force a county-by-county audit of voter registration rolls to weed out all the problem registrations.

Union Dues Rebate Drive

The Democrats have a massive campaign cash advantage because powerful government labor union bosses have illegally taken dues from members paychecks without their consent and used those funds for politics. The recent Janus Supreme Court decision can stop that – if we help union members sign the proper forms to get a rebate on their union dues and cut the flow of campaign cash to Sacramento politicians.

2020 Campaigns

We successfully recalled Sen. Josh Newman over his vote to approve the gas tax. We believe that we should TARGET vulnerable Democrat politicians to defeat them in 2020 over their votes for costly tax hikes and other extreme policies. A number of “pressure” campaigns are underway to make things difficult for them. We won’t give them a moments rest!

How You Can Help!

- Volunteer at the Office
- Organize a Mail-a-Thon with your friends
- Table to collect signatures
- Help with a Rally in front of a Target politician’s office
- Phone bank and text
