CAMPS AND SCHOOLS

One page shopping for all your archery requirements from ULTRA-HI Archery Company. The ultimate in quality, coupled with prompt deliveries, enables us to supply a most viable part of our Sporting Goods Industry — Camps and Schools. From the instructor's Viking bow to students' or campers' solid fiberglass bows, we manufacture the full range for your archery programs. See your ULTRA-HI Dealer or your camps and schools supply outlets for all the information.

ULTRA-HI SOLID FIBER-GLASS ARCHERY SETS

Why BRAVE archery sets instead of anyone else's? Because we offer the newest ideas and the best inside. Our BRAVE line is customer appeal! No more skin packaging to get punctured by little fingers, and damaged. No more archery set items missing with our newest "LOCK BOX"® packaging that secures everything inside, yet the products are seeable through "TOUCH and FEEL"™ windows.

BRAVE is the only archery company that self-sells its solid fiberglass archery sets for you. It gives you or your people more time to explain to others, the "ins and outs" of archery, choosing the right BRAVE laminated bow, selection of the proper string or what have you. Our convenient carry out handles on all the BRAVE archery sets and arrows, is one of just a few reasons why we are out to be known as your archery manufacturer — the one that helps. Write for more information about our seasonal archery programs and our totally new concepts.

*800 JUNIOR SET

The perfect starter set for backyard fun. 3½' BRAVE solid fiberglass straight bow with bowstring. Three beautiful target arrows, with 16" four color target face and instructions.

QUIVERS AND CASES

We're pleased to offer to the discerning archer a complete line of quivers and cases. Our matched leather sets are made from genuine cowhide and this year it's a trend back to the real thing. Hand tooled leather side quivers, belt quivers, belt pouches and armguards offer the bowhunter a line of genuine leather that he can be proud to wear. Our single and double strap back quivers are made with the utmost care and precision, and are available in leather or vinyl. Our cases are of waterproof rubber outside with soft cotton inside. We also offer a heavy flannel which assures a minimum amount of nicks and scratches when transporting that favorite bow. Whether it's quivers or cases.

LIFETIME GUARANTEE

Every ULTRA-HI Archery Company Bow is numbered and a registration card provided. These cards must be filled out within ten days after purchase, and mailed to our company to properly register the bow. Should failure occur with a bow properly registered within a one year period after purchase, ULTRA-HI Archery Company will repair or replace with an equal or corresponding model, free of charge, providing the failure is not due to misuse or improper handling. After one year and for the bow's LIFETIME, 50% of the list price will be allowed, on repair or replacement with an equal or corresponding model, providing failure is not due to misuse or improper handling.

This Lifetime Guarantee is transferable provided the original owner properly registered the bow at time of purchase. It is requested that the new owner notify this company in letter form as to the time of his purchase and this company will advise as to the original registration status.

Return any bows prepaid with a detailed letter explaining failure to our factory, attention Customer Service Supervisor, as dealers are not authorized to make adjustments in the field.
