# WELCOME

The Raymond Sutton family extends a warm welcome to you for our 65th annual Quarter Horse production sale. We believe it is the oldest Quarter Horse production sale in the world.

We are a working ranch that raises horses, cattle and bison. Yearly income is from our livestock and we take our breeding programs very seriously. Our family has been raising superior quality horses and cattle for over a century. In 2001, we joined the elite list of the first 48 breeders to receive the AQHA Legacy Award for 50 continuous years of raising Quarter Horses. This year we will register our 2726th foal. During the ninety odd years we have been in the registered livestock business, our programs have had constant breed improvement as their foremost goal. It is our philosophy that a controlled bloodline-breeding program makes dominant breeders with distinctive carry-on breeding ability. Although we have outcrosses, our program has maintained good, solid foundation lines that have that carry-on ability.

When someone mentions a Sutton bred horse, the bloodlines have proven themselves over and over. We are very proud that our select band of mares and stallion battery are among the top in the nation. The World Champion Palomino Youth 14-18 Barrel Horse and the PRCA Barrel Horse of the

Year were both purchased as weanlings in our sale. Solid Gold Edition tied for 5th in year-end standings for AQHA Senior Stallions. The produce of Miss Winning Gal was first in AQHA Produce of Dam. Bill's Rock tied for 1st in AQHA Get-of-Sire standings for 2 years; Barnone Impressive was 3rd. Patty Punk tied for 1st in AQHA Produce of Dam and Peggy Note was 1st. A few years ago, 8 of the AQHA Year End High Point Horses could trace their pedigrees to Sutton bred stock. Our breeding program is not a fluke but something developed over years of careful matings and constant scrutiny.

Our goal is horses with superior dispositions, intelligence, conformation, and ability. We strive to produce horses that excel in looks and can perform in a number of disciplines. This year the ranch has horses qualified for the World Show in Heading, Performance Stallions, Senior Cutting, Amateur Cutting, Junior Working Cowhorse, and Ranch Riding. Our 4-year-old stallion, RWS Vacas Benito Bar, won the Boxing at the Ranching Heritage Challenge in June.

Foals run in hundreds of acres on our river pastures until the sale. They are strong, fit, and agile. The natural conditions allow the foals to develop bone structure, heart and lungs, and the muscular system. Research shows that the broader and more varied the types of exercise the young horse receives, the more overall body strength and soundness the foal develops. The large pastures

give the developing foals physical and mental experiences that develop overall body strength and athletic ability. This can greatly increase the young horse's chances of long term superior performance.

Our stallion battery and mare band carry some of the best foundation and modern breeding to be found. The offspring are equally at home in the showing or rodeo arena, doing ranch work, or as a family friend. They don't have to be bucked out or ridden miles before they become dependable! The number of customers that return year after year to buy our horses is testimony to the success of our breeding program. It is not unusual for a customer to call wanting foals to replace horses gotten from us that are getting a little aged. The horses will be on display for you Saturday afternoon and Sunday morning. This will give you plenty of time to look over anything you might be interested in. Before sale day if you wish to stop by the ranch and look over the offering let us know when you are coming, we are always happy to have you see our herds.

In the many years we have been raising livestock, we have gained a respected reputation for fair dealing and standing behind what we sell. We value the trust people like you have in us and will continue to serve you as best we can.

We look forward to hosting you at our 65th annual sale!

Georgia (605-264-5452) and Heather (605-264-5431)

Something a little special here! Miss Gold Edition was reserve 3-year-old mare in the SDQHA and the CONQHA. Solid Gold Edition is an AQHA Superior horse and the sire of the World Champion Youth Barrel Horse. Impressive Peggy had halter and performance points. She was high point open and amateur aged mare, youth mare, reserve amateur western pleasure and reining in the SDQHA and the CONQHA. She also qualified for the world. With credentials like this what more could you ask of this young man! Think speed, ability, size and write your own ticket.

The full sister to this young man is in Idaho. She is in the Ranching Heritage Young Horse Development Program. She is just starting her show career but this spring she has been used to drag dead fall out of the shelter belt. Morgan (her owner) says "I am getting her ready for the ranch horse competitions. The rope and dragging logs don't faze her at all." Amber's dam, Peppermints Echo, has palomino pleasure points. Vintage Impressive's family tree is all performance plus conformation. Bay Punk was the first all-around horse in the SDQHA. Coupled with the ability that Cutter San Cody adds, this could be a good candidate for cattle events or a weekend pleasure ride.

We like to do some linebreeding in our program. This is a good example of hard to find genetics...a 3X Babe Cody. Babe Cody is credited in the Legends series, Volume 5, as being one of the most influential early sires in the Northern Plains. He stood at the Sutton Ranches for over 20 years and made his mark on the industry siring 11 AQHA Champions, AQHA Superiors, and ROMs. Comet's grandsire, Billy Nick Cody was shown in open and youth classes. He earned year-end awards in both. The one thing all of us that rode "Cody" bred horses remark is "did they have to be that smart!" We have kept 2 of Comet's fillies to put in the broodmare band.

Miss Kitty Chant is a grand-daughter of Dick Sonoita (141 AQHA points), and a great grand-daughter of Old Tom Cat (race and halter points and sire of AQHA performers) and Peppy (sire of Peppy San and Mr San Peppy). When you couple these genetics you get Peppy 3X with Bill Cody, Cutter Bill, and Jackie Bee (all three are in the AQHA Hall of Fame). This outstanding colt comes from some of our favorite crosses. Sweet Jo Misty has really developed into a beautiful mare. She has not only great conformation but a good mind. Her full sister, RWS Sweet Sister Jo, was the high point junior western pleasure horse in the SESDSA and last year she was high point aged mare, high point western pleasure horse, and third in equitation. This double bred Cutter Bill/Gallo Oak cross should produce a young man that has a lot of potential to make you proud in the showing as a dependable and talented partner.

Here is a triple bred Cutter Bill filly. Frosty Rock and Legendary Cutter both have the laid back, people friendly disposition of Bill's Rock. Snap Crackle N Rock was unshown due to a leg injury as a foal but his colts have a definite interest in cattle. Limeliter (grandam) was said to get on her knees to stop cattle when cutting. She also had speed in her background. Sparky One, a money earner on the track and Jet Threat, a son of the immortal Jet Deck who was AAA+ and had halter points. Vintage Impressive carried the blood of Mr Barnone, World Champion Running Horse. This young lady should be able to spin on a dime and give you change or catch anything you chase.

When you combine the "people horse" reputation of the Bill's Rock horses and The Painted Raven who is Mr Laid Back you will have one cool guy. If you rodeo or trail ride this is a good candidate.

She is also a half-sister to Pocodo Note, AQHA Champion, AYQHA Champion and AYQHA Supreme Champion. Snippy's Cowboy is an AQHA Champion and sired ROMS and performance champions. Oh yeah! Looking for eye appeal with size? This youngster should be one that catches everyone's eye. He may be eligible for Paint registration. His dam's ¾ brothers both were over 16 hands. We showed a number of "Diamond's" brothers. Hill-billy Rock and Rocks Diamond Dealer did well with limited showing. RWS Cherokee Rock was just a few points from his amateur championship with 23 halter, 13 grands, 11 reserves, 26 performance and 2 ROMS as well as having open points. A full brother to "Diamond" stood at stud in Nebraska and did well in cutting. Enough said!

The full sister, RWS Oaks Slippers, went to Indiana two years ago in the Ranching Heritage Young Horse Development Program. Hannah, her owner uses the words unique and intelligent when describing her. There is a little different genetics here. The contribution of Sweet Gallo Oak and Legendary Rock is familiar, but the bottom is a little different. Effs Roan Slipper came from the Geno Hunt breeding program. She produced a number of working horses. A ¾ brother to Legendary Slippers in Arizona is a gentle giant that works cattle for a living and doubles as a baby sitter. My White Slipper was one of Joe Schomer's favorite mares carrying the Skip Shi (Hank Weiscamp bred) genetics. Foundation and ability provide a number of possibilities.

Just got a Facebook post from the owner of RWS J Bee Dream Babe's half-sister. She bought the mare as a foal in the sale over 20 years ago and says she wouldn't trade her for the world! A full brother to this colt keeps the cows "in line" in the big country around McLaughlin, SD. Jessica, his owner, says he is one of the best she has ever ridden. He can sort a cow and hold a calf at the end of a rope. Daniel J Bee was known for the working horses he sired and Winning Note and Johnny Salute had the same credentials. Winning Note was Reserve All-around Horse in the SDQHA, Johnny Salute won his class at the Western National in Denver.

Grace has passed her good disposition (double-bred Bill's Rock) and muscle on to her offspring. Legendary Rock was successful in cutting futurities, one of Georgia's favorite saddlehorses came from the "Texas" genetics and ate cattle. This filly's ¾ brother, RWS Oak of Texas, is in roping training with Cody Marx in Wisconsin. With the quickness of "Roosters", the cow ability of Cutter Bills and great conformation this is one nice girl. Heather reined on a ¾ sister, RWS Sweet Tequila. Jill's half-brother is a top team roping horse in Arizona with earnings in the 5 figures. Stew Runner competed on him and says "VJ always seems to know just where to be to help me catch the heels. Rios Santana	Santanas Cisco
DAM: Rios Punk Rock Chic	Ms Rio Rock
Peppermint Echo	Bill's Rock

I placed on Peppermints Echo in pleasure futurities as a two-year-old. She also has palomino halter and pleasure points. She was easy moving and smart. It only seems logical that she would pass this on to her daughter and granddaughter. Did I mention she also really liked to work cattle? This is a double-bred Cutter Bill with some of our foundation genetics (Bay Punk and Babe Cody). We haven't kept these bloodlines in our breeding program by accident!

### LOT 34 BAY FILLY

Pobres Lenaette is a half-sister to RWS Benito Bar Jill. Heather rode their dam, Benito Bar Jackie. She was one of the most natural moving horses we have had and placed in the pleasure futurity at the Dakota Classic plus she could turn on a dime. This is her first foal so we don't know how they grow out. Knowing the background of others from these genetics she should be a filly to enjoy either on the trail or in the arena. Possible ranch riding prospect.

Margarita brings a little different blood to the cross with Zack T Wood (LTE of \$167,339) and sire of progeny earning \$5, 627,119. He is ranked 14th for maternal grandsires and 15th for paternal grandsires earnings. Zack T Wood is by Doc Tari out of a Doc Bar dam. So you have 2X .Doc Bar, 2 X Peppy, Freckles Playboy, Cutter Bill. Every horse in this young lady's pedigree has earned a place in Quarter Horse history by proving their ability over and over. We saw Zack T Wood this spring - he is 30 and still a handsome athlete. Heather has qualified Roosters Rose, a Zack T Wood granddaughter, three times for the AQHA World Show and has shown her twice at the Novice Cattle championships.

Rapid Bar AAA, Rebel George AAA, and Miss Kee Cat AA+ (plus grand champion halter points). Add that to Peptoboonsmal and Freckles Play-boy (his get have LTE of \$ 25, 147, 262 in 4 associations). She is one smart horse and you can see the wheels turning in her head. We have kept a daughter to put in the broodmare band and she is an eye catcher. This youngster is double bred Peppy San Badger with Blondy's Dude, Poco Bueno, Blackburn, and Weiscamp breeding added. Skip Joyette was by Skip Barette (Bar Mount and Skipperette). Hank Weiscamp felt that Skipperette was the best mare he ever had so something special is here for you to buy.

	Sissy Gray

This eye catching lady will be a youngster with the disposition we all want. "Charm" has the same quiet way of going and love of people that her dam, Blued Silver, had. "Silver" was always easy to catch and quiet under saddle. I showed her full brother and for three years he was high point gelding in his age group in two associations. He had a number of Grand and Reserve Championships to his credit. He became a dependable weekend trail partner in Nebraska. I have kept "Charm's" full brother as a replacement for my saddlehorse.

### COMING NEXT YEAR

We added three new faces to our stallion battery this year. We are excited to see their progeny next year. They add somethings that are a little different for our program.

**INSTANT STARLIGHTS** is a 2000 Sorrel Stallion with NCHA Earnings of \$96,000 and his NCHA Bronze COA. 100% OF HIS PRODUCE ARE NCHA MONEY EARNERS! He can boast winning: 5 Futurity Championships; 6 Derby Championships, 4 Reserve Futurity Championships; 1 Reserve Derby Championship and seven Non-Pro/Amateur Championships or Reserve Championships and has placings in 20 LAE Finals. He won the youth cutting at the Quarter Horse Congress and has 49 youth points... His sire is SR Instant Choice (Doc's Hickory & Doc's Lynx) has sired earners of \$5,406,000. His dam is a daughter of Gray's Starlight and has Mr Gunsmoke and Two D Two (Two Eyed Jack's sire) in her background. This stallion supplies breeding that will outcross well with our "foundation" lines.

**COUGARS ANDY** is a 1995 son of Cougarand, NCHA COA and sire of cutting, reining, and ranch horse winners. One son was the Quarter Horse Congress Non-Pro Reining Futurity Champion and the NHRA Non-Pro Futurity Finalist, another is the AQHA Cowboy Ranch Horse Champion. A daughter is a Palomino World Champion in Reining and a Dixie Nationals Reining Champion. We are especially interested in Cougars Andy's genetics because he is a carrier of the rare champagne gene. He is a golden champagne. When you look at him in the sun he has a wonderful metallic sheen. He is descended from the first identified champagne quarter horse. Triangle Lady 10 was foaled on the legendary Burnett Ranch in 1930. In the past "Andy" has not been bred to many mares. We are excited to see what next year's foals will look like. We are also looking forward to what they can do crossed with our mares.

**ROYAL VACA REY** is a black 2009 son of Vaca Rey. He was injured when we had him in cutting training as a 2-year-old so he has had a limited show career. Royal is a smooth mover and handy in his footwork. If you look at his pedigree you will see something special. Vaca Rey's dam, Autumn Boon is NCHA #5 all-time producing dam with PE \$1.6 million. Her mother, Royal Blue Boon, is #1 with PE \$2.6 million. "Royal" is one of only a few horses that are double-bred Royal Blue Boon so close up. "Royal" is the last foal of Royal Black Peppy (Peptoboonsma's full-sister). With Smart Little Lena, Dual Pep, and Peppy San Badger added, this is beyond a purple pedigree.

Her dam is a full-sister to Victor D Or who racked up numerous honors in the Palomino (PHBA) Association. He had 5 ROMs. At the PHBA Youth Congress he was in the top 10 in halter, color, and trail. He was also PHBA High Point Junior Pole and Barrel Horse. In his spare time he picked up AQHA points. If you are looking for a buckskin show prospect raise your hand and bid on this young lady.

He is the sire of High Impression and the grandsire of Legendary Rock.

## BILL'S ROCK

Bill's Rock had a profound influence on our breeding program for 25 years. It is due to his success as a sire that we are able to offer foals from the largest band of Cutter Bill grand-daughters in the nation.

"Bill" was a superior halter horse with 20 Grands and 15 Reserves and would have been an AQHA Champion if an injury had not ended his competitive years. He was a sire of uniform quality as can be attested to by his being first in the nation in AQHA Get-of-Sire two years accumulating 45 points and was first in the SDQHA Get-of-Sire for 9 years. He sired AQHA and AYQHA Champions, Superior and ROMs, race point earners and World Show Finalists.

His get follow the success of their

grandsire, AQHA Champion and Superior Cutting Horse - Cutter Bill. Cutter Bill was AQHA High-Point Junior Cutting Horse, two time NCHA World Champion, Reserve World Champion. He set an all-time record for the most money earned in one year by a cutting horse. His final year of competition he won the Washington International Horse Show, The San Francisco Cowpalace, and the Las Vegas Open. Because of his cutting success he became known as the premiere cowhorse sire but his get excelled in many events. They were AQHA Champions, Superior Cutting and Halter Horses, and even AQHA year-end high point pleasures horses.

He is the sire of Legendary Rock and Snap Crackle N Rock and the grandsire of Solid Gold Edition and RWS Sokota Joe.

## BAY PUNK

Bay Punk was a horse before his time. When we showed him he was bigger and longer than most of the horses he competed against. People said he was too big to do much. However, he was one of the most outstanding performance horses the state of South Dakota ever had. He was the first horse honored by earning the title of All-Around Horse in the SDQHA. He earned the title by being High Point Reining, Calf Roping, Novice Cutting and Reserve Open Cutting and Halter Horse. Few horses can claim to be this versatile. He sired AQHA Superiors, World finalists, ROMs. Where he is most outstanding is through the produce of his daughters.

He was the son of the immortal Scooter S and carried Silver King, Midnight, and Old Joe Bailey Blood. Scooter S was a leading sire of show ROMs and Maternal Grandsires of AQHA Champions. He sired Superior Cutting, Barrel Racing, Reining, Calf Roping and Halter horses, World Champion and High Point Horses as well as numerous AQHA Champions.

High Impression was a grandson who had a very limited show career due to an injury but was first in AQHA Produce of Dam. His half brother, Tuff Rock, had halter, performance, and year-end-award honors. RWS Sokota Joe is a great-grandson.

## RAPID D OR

Rapid D Or started his show career in the right way by being Grand Champion Stallion at the National Western in Denver. He went on to be Reserve Champion at the Sun Circuit in Arizona and the Circuit of Champions in Kansas. Before an injury as a 4-year-old ended his career he also was high point stallion in both the South Dakota Quarter Horse Association and the South Dakota Palomino Breeders Association as well as qualifying for the World Show. He had 34 halter points, 27 firsts, 8 Grands and 9 Reserves in AQHA and 17 PHBA points in halter and color classes.

His get racked up AQHA halter and performance points. However they really

shined in Palomino competition. Victor D Or was High Point Junior Barrel Horse in the Nation and ROM in 8 events. Shi Rapid has been World Champion Palomino Youth Pole Horse 3 times. His get have over 500 PHBA points. Solid Gold Sonora, the 2005 World Champion PHBA Youth Barrel Horse and two time Reserve World Champion traces her genetics back to Rapid.

Rapid D Or's full brother, Rapid Andrew, is one of only a handful of AYQHA Supreme Champions. Their sire was Rapid Bar AAA +, an AQHA Champion and the sire of AQHA performance, race, and halter point earners. Their dam, Robin D'Or was a granddaughter of San Siemon (grandsire of Leo San).

A gelding out of the Rapid D Or and a Bay

Punk mare was purchased as a weanling and resold as a 5 year-old. Within 3 weeks of his purchase he had won over \$10,000 at 3 team ropings. Rapid D Or is the grandsire of Solid Gold Edition.

## RWS SOKOTA JOE

"Joe" carried some of the best of our the foundation genetics. His pedigree of Bay Punk (first SDQHA All-around Horse), Pokey Dun (son of Pretty Boy), and Sorrel Spark (granddam of 2 AQHA High point year-end horses plus PRCA Barrel Horse of the Year) showcased some of the best of our 60 years of selective breeding. He was as old foundation as you could find: 4x

Harmon Baker, Old Sorrel, Bar Tonto, San Siemon, Question Mark, Scooter S, Poco Bueno, Yellow Wasp, and Tommy Clegg.

We only showed "Joe" one season and he was Reserve High Point Open and Amateur Stallion in the SDQHA. He followed in the hoofprints of his sire and dam who were both SDQHA high point horses too.

## MR HOLLIDAY PEP

Mr Holliday Pep was bred on the King Ranch. He stood 15-2 with a huge hip and forearm.

AQHA Hall of Fame Horseman, Matlock Rose, said "The horses with Leo San blood are natural born cow horses. They want to work." The get of Mr Holliday Pep prove that. A son was the high point team

penning horse in North Dakota. The fillies we showed were quick learners with calm dispositions and able to turn on a dime. His two sons with get in this sale prove the potent genetics that he carried. Look at the notes on A San Peppy Legend for more information on Mr Holliday Pep.

## DANIEL J BEE

Daniel J Bee was 100% foundation top and bottom. He was a handsome stallion standing 15-3 and bearing a strong resemblance to Jackie Bee. The infusion of Daniel's genetics with our other bloodlines produces the pretty all-around horses we believe in.

His sire Jackie Bee is an AQHA Hall of Fame Horse. He made an impact on the Quarter Horse industry by siring a get that

was pretty to look at and multi-talented. HE sired 5 World Champions, 7 AQHA Champions, 4 Superior Western Pleasure Horses, 1 Superior Calf Horse, 1 Superior Hunter Under Saddle, 1 Superior Steer Horse, 11 Superior Halter Horses, and 49 Show ROMs. His get accumulated over 5095 AQHA points.

Dun Bit's sire had halter points.

## LEGENDARY ROCK

Many experienced horsemen will tell you there are few true "breeding horses". We feel Legendary Rock falls into this category. His get are easy to spot with their balance and sharp profiles. His son, Legendary D Or, was circuit champion open yearling gelding and reserve junior amateur gelding at the North Dakota State Fair and ended up as the North Dakota High Point Yearling and Amateur Junior Gelding.

As a three-year-old Legendary Rock was campaigned in cutting futurities and placed in the Dakota Cutting Classic, the South Dakota Cutting Futurity, and the Wyoming Cutting Futurity. He was especially fun to watch cut without a bridle.

He also had a brief career in the show ring bringing home halter points, circuit championships, and year-end awards in both the CONQHA and the SDQHA. He has 4 Grands and 2 Reserves to his credit.

His granddam, Two Eyed Sonora, is also the granddam of Dynamic Deluxe who had an impressive show record and has been on the leading sires list for open, amateur and youth performers for a number of years. Another full brother, Sudden Inclination, earned the World Champion Junior Western Riding title, and a third brother, Boston Scotch Time is a Superior Performer. Their dam, Boston Sonora, produced 7 ROM foals and was purchased as a weanling in our sale.

He is HYPP Negative N/N.

## TE BOSTON DUDE

Dude" did well in the show ring. He qualified for the World Show twice, was the South Dakota Quarter Horse Association High-Point 3-Year-Old Open Stallion, Amateur Aged Stallion, and All Age Amateur Stallion. In the Center of the Nation Quarter Horse Association he was High Point Amateur Aged Stallion and Reserve Open 3 year-old Stallion. The last year we shod him he was High Point Open Aged Stallion, Aged Amateur Stallion and

Reserve Select Showmanship in both the SDQHA and the CONQHA. Dude's get are in demand for their excellent dispositions.

# A SAN PEPPY LEGEND

Be sure to take a good look at the A San Peppy Legend offspring. His daughter, RWS Color Me Intrigued, was the Reserve Champion Youth Yearling mare at the Quarter Horse Congress and she was Reserve for the AQHA Young Horse Development Program. We are very pleased with A San Peppy Legend's ability as a sire. His foals have sharp profiles, smooth bodies, good legs and the plus of excellent dispositions when we work with them. His get are just reaching the age when they are old enough to ride and we hear only good things. One buyer bragged that his 2-year-old ground tied and came to voice

commands after less than 20 rides.

His topside features Mr San Peppy who was NCHA World Champion for two years and AQHA World Champion Senior Cutting Horse. He was the first cutting horse to earn over \$100,000 in NCHA open classes and was retired as the King Ranch's foundation sire. His get have proven themselves over and over. Peppy San Badger himself earned in excess of \$20 million. Doc Holliday was an AQHA Champion/Superior Pleasure son of Doc Bar. He sired ROMs, NCHA Breeders Cup and Super Stakes Horses and the Cana-

dian Open Champion and Youth Champion Cutting Horses.

"Peppy's" bottom is strong working blood. Solito Badger makes him 2x Mr San Peppy. Solita Doc makes him 2x Doc Bar plus Honey Peco is Hank Bar by Sugar Bars so he is 3x Three Bars. Add foundation blood of Pretty Buck and 3x Poco Bueno. All this adds up to a lot of relation that have proven records in cattle events, on the race track, and in the show ring.

This stallion provides an excellent nick with our other bloodlines.

## CUTTER SAN CODY

Blood doesn't get much bluer than this. "Cody" carries the genetics of Mr San Peppy, Doc Holliday, Cutter Bill, and Bill Cody, all horses that are proven sires with gets that are recognized for their outstanding athletic ability and brains.

Silk Delight has a number of brothers that we showed. Rocky Bill Cody was an AQHA and an AYQHA Champion. He carried Heather to the High Point Youth Senior Girl, All-Around Youth, Youth Gelding, 14-18 Western Pleasure, Hunter Under Saddle, Showmanship, Horsemanship, and Equitation year-end awards in the South Dakota Quarter Horse Association (SDQHA). He earned his open championship with points

in halter, western pleasure, heading and heeling as well as gaining the Reserve All-Around title for the SDQHA. Another brother, Classic Macho Man, was SDQHA high point yearling stallion and he and Rocky" were 2/3 of the group that garnered the AQHA's Year End Award for Get-of-Sire for Bill's Rock. A third brother, Bill Rock Cody, was reserve yearling stallion. Silk Delight herself was reserve Amateur mare in both the SDQHA and the Center of the Nation Quarter Horse Association (CONQHA). She also was in the top half of the horses the year she competed in the Dakota Classic Cutting Futurity.

Caca Cody is a full sister to the outstanding halter mare, Dream Babe. Their sire, Babe

Cody (6x Old Sorrel) is credited in Legends Volume 5 as being one of the most influential early sires in the Northern Plains. He sired 11 AQHA Champions, 9 Superior Halter and Performance horses, and 20 ROMs. A number of his foals had points in cutting and reining. Bill Cody was AQHA 's first Honor Roll Halter Horse. He was the sire of Joe Cody "the patriarch of the Quarter Horse breed's first great reining horse dynasty". That was after his great success in the cutting pen.

We donated one of his daughters to the Ranching Heritage Young Horse Development Program, RWS A Peppy Delight. Check out her 2-year-old photo with owner, Morgan aboard!

## JUST A SILVER DUCK

Just A Silver Duck is a very refined, halter pretty silver grulla stallion with all the correct moves in the cutting pen. His genetics say that he should sire individuals with cowsense and speed. His sire, Legendary Rock, placed in a number of cutting futurities and had AQHA Grand Championships. On the top is Cutter Bill and Two Eyed Jack for working ability. For speed he has Rapid Bar AAA + and Mr Barnone AAA + .

On the bottom is AQHA Superior Horse and AQHA Champion credits from Solid Gold Edition. His dam's mother is a full sister to Sparky Impression, PRCA Barrel Horse of the Year and earner of \$250,000 + . He is 4X Three Bars.

We have not been able to show "Cutter's"

ability due to a neck injury as a foal. His daughter, RWS Legendary Gal, we donated to the Ranching Heritage Young Horse Development Program. She and her owner, Brandy, hit the showing in Pennsylvania. Refer to the photos to see her first win.

**LEGENDARY CUTTER IS HYPP N/N.**

# PEPPY PEDRO BADGER

Peppy Pedro Badger has the genetics to do anything you desire be it in the show pen, rodeo, or trail riding. Last year his daughter, RWS Cocoa D Or Badger, was high point Yearling Mare and Reserve Amateur Yearling mare in the SDQHA. Another daughter, RWS Peppys Sandy Doc saw action in the cutting pens of SD and NE and was 3rd in boxing at the Ranching Heritage Challenge.

His sire, Solito Badger, was raised on the King Ranch. He sired the Champion Junior Reining Horse in Idaho, the Canadian Reserve Champion Appaloosa Working Cow Horse, the High Point Reining Horse in North Dakota, and out of 600 entries in the 2001 National Reining Horse Futurity he sired two

of the semi-finalists. Solito Badger's sire is the great Peppy San Badger (Little Peppy): NCHA Futurity Champion, NCHA Derby Champion, NCHA Reserve World Champion, NCHA Hall of Fame, #2 on the Top 50 NCHA Leading Sires list. His get have won over \$20 million in the NCHA. He is ranked #4 on the leading paternal grandsire list and #8 on the maternal grandsire list. Solito's dam has two full sisters who have a produce that has done well in the NCHA. His full brother stood at stud for the government of Argentina.

"Pedro's" dam is a granddaughter of AQHA Hall of Fame Horse, Blondy's Dude and is a half sister to Carol Rose's famous Diamond's Sparkle. (for more information on Blondy's

Dude refer to Te Boston Dude's notes). Her sire, Duplicate Dude, is a Superior Trail Horse and placed 4th at the AQHA World Show. Her dam, is by Forty Pecos who had Grand and Reserve halter wins. He is by Mr Blackburn 40, a son of Pretty Buck, who was an AQHA Champion and won the Denver Stock Show twice. His dam on top is by Poco Pine out of a mare raised on the Waggoner Ranch. On the bottom is Mr Blackburn 11 who is by a Poco Bueno out of another Waggoner Ranch mare.

If you want foundation breeding with a modern, sharp profile then the foals by this stallion bear looking over.

# RIOS SANTANAS

Rio has had a good showing in the cutting pen. He and Heather won the \$1,000 rider in the South Dakota Cutting Horse Association and were second in the \$1500 amateur for NCHA Area 6. He was champion \$1,000 horse in NE and SD. He is a few dollars from his NCHA COA.

There is no one in the working horse world today who has not heard of his grandsire, Peptoboonsmal – winner of \$180,000 and sire of a get that earned over \$ 3.7 million in the first 4 foal crops that showed. He is ranked 4th leading cutting sire, 6th leading paternal grandsire, and 5th leading maternal grandsire. His get are athletic and smart. Rio's granddam, Miss Santana Doc, is a full

sister in blood to Smart Little Lena and dam of Dry N Freckled, the 51st highest money earning cutting horse ever at \$268,000.

Ms Rio Rock is a full sister to Tara Rock, the mare that Georga showed to the high point junior and amateur cutting titles for two years in the South Dakota Quarter Horse Association and the Center of the Nation Quarter Horse Association. Both of these mares had the typical Bill's Rock love of people and his kind dispositions. They passed this on to their produce. Their granddam, Sonora Gal, was the mother of Sonora Babe, a multiple champion cutting mare by Babe Cody. Their grandsires, AQHA Hall of Fame Horse, Two Eyed Jack and NCHA Hall of Fame Horse,

Cutter Bill needs no introduction.

Rio's get are eye catchers with sharp profiles and chrome paired with their sire's great disposition (his foals halter break very easily). His 2-year-old son, RWS A Legendary Rio, that we donated to the Ranching Heritage Young Horse Development Program has done well. He was Champion AQHA California Exhibitors Youth Yearling Gelding and was third in the Young Horse Development Project last year. Check out his photo with his owner, Malabie aboard!

# THE PAINTED RAVEN

This may be the last offering of "Raven" foals. We searched a long time for a paint stallion with the quality and pedigree to fit into our program. "Raven's" get has quiet dispositions, are quick learners, and do work cattle with ease. They are very easy to handle when we halter break the foals. If all youngsters were like these, life would be simple. A son has brought home a number of first places in Pinto shows.

In this pedigree there is a touch of Quarter Horse, but there is Paint parentage for three generations and all are overo. His sorrel overo son, RWS Sizzlin Robin, won the open Paint weanling title at the SDPHA futurity, was first in the yearling halter stallions and yearling trail in the Southeast South Dakota Horse Shows Association. He went on to be suc-

cessfully shown by his 70 year young owner. A two-year-old son carried his owner, Miss North Dakota, trail riding in the Black Hills this summer. He then came home to work cattle on her fiancé's ranch.

"Raven" had limited showing and earned points in both open and amateur halter. He was circuit champion 3-year-old at the SDPHA Paint-Orama and SDPHA reserve 3-year-old stallion. He goes back to Painted Robin 4x, Robin Reed 5x, and boasts some War Leo, Buck Hancock, Old Tom Cat, Win or Lose, Sonny Dee Bar, and Nero in his pedigree.

He came from Jack Campbell's breeding program and has well known relation in his background. Cash Bond is an APHA Champion with 485 halter points, ROMs in

3 events, and a Superior in 2 events. Painted Robin is an APHA leading sire of halter and performance winners. Gingersnap has 15 halter points and is ROM. Red Sonny Robin has 105 halter points, 10 performance points, 2 ROMs, and 1 Superior. Speck Away Too was ROM in pleasure with a computer index of 94.5 at 350 yards and a performance rating of 96.5. He is the sire of Mr Robin Boy, APHA Superior All Around Champion and National Champion Aged Halter Stallion. Raven Robin's get win their share of awards with 38 halter, 2 performance, 1 APHA Championship, and 2 ROMs. Miss Red Sonny's produce has 5 halter points.

# SWEET GALLO OAK

Sweet Gallo Oak was destined to be a top reining horse but he injured a leg in training. The "feed-back" was that he was one of the most talented two-year-olds Todd Summers had worked with. His turns were cat quick and he was really beginning to sit down.

His sire, Gallo Del Cielo, was a finalist in the NCHA Open Derby and a number of

prestigious cutting events but his real place in history comes from his distinction as being the ninth standout stallion to earn the NRHA Million Dollar Sire status. "Oak's" dam is a  $\frac{3}{4}$  sister to Doc's Stylish Oak, winner of over \$77,000 in cutting and ranking on the Leading Cutting Sire list. His performers have averaged \$19,600 in earnings. The foals in this offering add potent genetics that can only

make them successful in whatever event you choose. Heather showed Sweet Tequila Oak in reining and ranch pleasure. We donated his daughter, RWS Oaks Slipper, to the Ranching Heritage Young Horse Development Project. She is just beginning her career in the show-rings of Indiana.

# YOUNG POBRE

Young Pobre was raised on the King Ranch. You would have to look long and hard to find better breeding. Peppy San Badger is #2, Freckles Playboy is #3, and Doc O'Lena is #5 leading NCHA Sires of Money Earners. Peppy San Badger is #4, Doc O'Lena is #7, and Freckles Playboy #8 in Leading Paternal Grandsires: Freckles Playboy is #3, Peppy San Badger #8, and Doc O'Lena #19 in Leading Maternal Grandsires. Here are genetics that have proven themselves through the generations.

Young Gun has a get that has earned over \$2,300,000. He is an Equi-Stat All-Time Leading Cutting Sire, an AQHA Top 15 Leading

Sire of Point-Earners, and an NRCHA All-Time Leading Sire. He is a full brother to earners of over \$517,000. His dam, Leanette, is an Equi-Stat All-Time Leading Producer. Her foals and grandfoals have earned over \$2,500,000.

Pobre's great granddam was the mare Anita Chica, unbeaten in her show career and earner of 199 halter points. She is buried at the King Ranch alongside Old Sorrel, Wimpy, and Mr San Peppy. El Pobre and Leo are as foundation as you can get.

Young Pobre has not been in the show pen but to watch him in the pasture at play, you know that he has all the right moves. He can flat get down and skim the dirt. His get are

athletes with minds. Steve Burke of North Dakota has one that he says nothing bothers whether it is trail riding at Medora or chasing escaped horses down the highway ditch in the middle of the night.

RWS Pobres Allusive and RWS Annie Get Your Gun are Pobre daughter in Texas that bring home lots of calf roping honors. "Allusive" was the Texas Junior High School Rodeo Calf Roping Champion, the Texas Junior Rodeo Association All-Around Horse and Champion at the Joe Beaver Invitational Roping. Refer to the photos and see more about these phenomenal mares.

In 2001 our ranch received the AQHA Legacy Award for 50 years of continuous breeding of Quarter Horses. In 2016 the ranch registered its 2,646<sup>th</sup> foal. You don't stay in this business if you don't do everything right and we believe in our horses as do a great number of repeat buyers from all over the world. We believe in horses that are beautiful in mind, body and disposition; they can be specialists, all-around performers, or just faithful friends.

THE HIGHLIGHT OF RAYMOND'S YEAR WAS SEEING THE SMILES ON THE FACES OF THE NEW OWNERS OF OUR CURRENT YEAR'S FOAL CROP. HE TOOK GREAT PRIDE IN THE STRICT SELECTION AND MATINGS OF BOTH HIS HORSES AND CATTLE. HE ENJOYED TALKING "HORSES" AND SHARING HIS KNOWLEDGE AND GAINING NEW INFORMATION. AS A QUARTER HORSE JUDGE OF 20 YEARS HE WAS SCRUPULOUSLY HONEST AND ADAMANT THAT THE HORSES HE JUDGED NEEDED TO BE SOUND AND SUITED FOR THE DISCIPLINE THEY WERE PERFORMING IN. AS A NATIONAL DIRECTOR FOR AQHA FOR 20 YEARS, HIS UPPERMOST CONCERN WAS FOR THE INTEGRITY OF THE QUARTER HORSE BREED. HE WAS HONORED POSTHUMOUSLY BEING NAMED SOUTH DAKOTA HORSEPERSON OF THE YEAR. AN HONOR HE WELL DESERVED. WE LEARNED OUR LESSONS WELL FROM THIS MASTER AND WILL CONTINUE TO PROVIDE A QUALITY AND HONEST GROUP OF ANIMALS FOR OUR CUSTOMERS.

Roosters Rose

RWS Ravens Red Cat – purchased in November as a halter-gentle 2-year-old by Miss North Dakota. Ridden in the spring on trails in the Black Hills and used to work cattle in the summer.

When I spoke to June, she said " At almost 60 I decided that maybe I needed to retire then I got "Sparky" and the world of barrel racing never looked so bright to me." Sparky Impression was the 2002 Wrangler Divisional Tour Champion. In 2005 Sparky Impression was honored by being chosen the PRCA Barrel Horse of the Year. In 2009 the duo was still going strong and won the Black Hills Stock Show. Since January 2002 they have won well over \$200,000 and multiple saddles and a trunk-full of buckles. We stood Sparky Impression's sire, Barnone Impressive, at stud for 20 years.
