Then and Now
Presentation by Guild Members

Regina Scott Brooks is planning our programs for 2023. The next newsletter will feature our scheduled meetings. Look forward to speakers, workshops, and a guild project.

Quilt Guild Board Selection Refresher

This organization has bylaws, and one of them addresses the guild board. Your board members are elected to their positions for a designated term. During the early phase of the COVID-19 pandemic, some of the guild operations were modified. The board members stepped up and agreed to keep the guild operating, and some members volunteered to extend their times serving. The restrictions are slowly being relaxed, and it is time to move forward.

Each year in October, the next board members are selected by the guild at the October meeting. As has been mentioned in every newsletter, there is a need for the membership to consider serving on the board. The time commitment is not really a burden, and it is an opportunity for members to become better acquainted. The board meets monthly via Zoom. For some, this may be a deterrent in wanting to serve...it is not difficult to do if you have a computer and Internet access.

The meetings are only one hour.

We have some new members who have joined the guild this year. Now is a great opportunity to get to know the members! Please consider joining the board and volunteer to serve on one of the open positions. You will have support from the current board members. We want to have a full executive board moving forward.

Check out Facebook!

Post your quilts on Facebook! Don't forget to **like** our page and **share** it with your friends. Updates to meetings and workshops will be posted

Lighthouse Quilters Guild

Guild Meeting --October 31, 2022 - In-Person and Zoom Virtual Meeting

At the October 31st meeting, Judy Anich offered a retrospective sampler of her quilting work over the last 38 years. Judy's work is wide-ranging and inspiring. She has explored use of stencils, painting on fabric, use of vintage items in quilts, and landscape quilts in addition to piecing and applique. Many of her quilts are her own unique personal designs, and she has published five quilting designs for sale.

Fifty-seven Guild members applauded her work in-person and on zoom.

At the October business meeting, members discussed the upcoming Holiday Party at Reefpoint Brewhouse on November 28th. Almost 50 Guild members have indicated they will attend. \$25 for the ticket must be sent by November 8th to Ginger Wanserski, at her home or using the Guild's PO Box.

Guild members also approved the 2023 Guild Board.

Next year's board members include:

October Program

The speaker at our October meeting was Judy Anich, a member of Wandering Foot Quilt Guild. She presented a fantastic Retrospective Trunk Show, with the help of Stevie Breit and Diane Seymour. From traditional to art quilts, Judy uses printing, painting, piecing and embroidery to create an amazing collection. Only a few of the quilts she displayed are shown here. 2023 Lighthouse Quilters Guild Challenge ***“Dresden Plate”***

The Dresden Plate features wedges set in a circle. According to [Barbara Brackman in *Encyclopedia of Pieced Quilt Patterns*](#), the traditional Dresden Plate was popularized in the 1930s with block names related to flowers like Aster and Sunflower. However, the block can trace its roots back to Fan blocks popularized in the 1880-90s and common in crazy quilts. In the beginning, the fan blocks featured wedges creating smooth-edged quarter circles. As the trend grew, so did the variations.

Join in the fun and create a Dresden Plate quilt! Quilts in this show category may only be entered by members of the guild and will be judged and awarded ribbons as with other categories.

Quilts entered in this category must comply with the following guidelines:

1. Entrant must be a member of the Lighthouse Quilt Guild in good standing (i.e., dues have been paid) for the 2022 guild year. Each member may enter only one quilt in this challenge category.
2. The quilt must have been completed within the last four years (2019-2023).
3. Entry must include at least one complete Dresden plate consisting of at least 8 blades that adjoin to make one complete unit in the quilt. Plates need not be circular, they may be elongated (e.g., oval or “wonky”). For example, any of the blocks in the picture above would qualify as a complete Dresden plate unit. A quilt made up of only partial plates or fans that does not include at least one complete Dresden plate unit would not qualify.
4. Must have a top, batting and back.
5. Must be a quilt, wall hanging or tablerunner that lays flat – no tote bags, garments, purses, stuffed pillows, or other 3-D items. A pillow sham or pillow cover could qualify if it can be removed from the pillow itself and can lie or hang flat.
6. A hanging sleeve is NOT required.
7. Edges must be finished.
8. May not exceed 150 inches all around. Can be square, rectangle, round, oval or whatever shape you like.
9. Must have some sort of quilting holding the 3 layers together. Hand, big stitch or machine or any combination of your choosing.

Please contact Mary Wolter (marywolter@hotmail.com) if you have any questions.
