

Men's Retreat
Park City, Utah
September 30th-October 2nd

Address: 1685 Village Round Drive,
Park City, UT 84098

Our weekend will be full of conversation, company, food, and fun. Our hope is to create enough structure for connection and worship while also being relaxing and restful. During our devotionals we will share spiritual messages and invite time for discussing whatever questions or issues seem to be most pressing in your life.

We are staying in a large townhome with 4 separate bedrooms but sufficient beds for everyone to have their own. Bedding and towels provided. Meals and snacks will be provided. If there is something unique you would like to bring, you are more than welcome. Please make Tyler Marz aware of any dietary needs or other pertinent information you feel necessary so that we can make this weekend the best for you.

Our activities on Saturday are varied, and we can make decisions about how and what we would like to do together or divided. Ideas are listed in the schedule with links. Of course, if you have additional ideas, we will gladly consider that too! We will plan to have lunch in town that day.

Since this isn't your usual camping retreat, you can pack a little differently. Here are a few ideas of things to bring: clothes (check the weather, Park City is cooler than Salt Lake), toiletries, and/or hiking gear (if you want to go on a hike), games, cards, and movies to watch in the evening.

If you have any questions or concerns, don't hesitate to reach out tmarz@cofchrist.org

I look forward to a relaxing and fulfilling weekend together.

-Tyler Marz
