Understanding the rate sheets and shipping options

1. The following states ship via ground only:
 - a. Alabama, Illinois, Maryland, Massachusetts, New York, North Dakota, Oklahoma, Rhode Island, Texas, Virginia and Vermont.

2. The following states ship on Friday's only on temperature controlled trucks:
 - a. Alabama, Illinois, Maryland, Massachusetts, New York, Oklahoma, Rhode Island, and Texas.

3. Business Address is recommended because a signature is required for all shipments. A home based business is still charged as a residential address and someone will need to be home to sign for the shipment.

4. When selecting an air service, please make sure to look at the air rate sheets to make sure we have rates for your select state.

5. When filling out the shipping form, please make sure to fill out each section completely, including the billing information. This includes the credit card number, expiration date, security code and the billing zip code. If the billing address is different than the ship to address, it must be filled out too. Make sure that the person who puts their credit card on the form also signs it at the bottom. If there is any information missing or the name on the credit card does not match the name of the person who signs it, it will delay your shipment.

6. If you need more than 18 lines to list your wine, please write it on the back of the white copy that you will leave with your shipment.
