

Working for DDO Day Camp is an amazing experience not only for our campers, but staff alike.

You have the opportunity to develop your skills as a professional, receive training and professional development workshops, engage with campers and staff from a variety of backgrounds, make an impact on our campers, and be a part of a supportive and dedicated culture.

As an animator, you will work in a team to create and organize activities, plan events, play with the campers and model positive behaviour, and most importantly be responsible for their safety and wellbeing.

As an animator, you will receive mentorship from your camp leader as well from our administrative team. Our goal is not only to provide our campers with an amazing and safe summer, but also to work with our staff to help develop their skills as a professional.

Candidates must be at least 16 years old prior to the beginning of camp, bilingual, and most importantly **want** to work with children.

You are encouraged to email or call should you wish to have further information on the positions available.
