

# 2017 Love 4 Life

Fundraiser to benefit Life Saver Ministries & their programs to assist women and families in need

Valentine's  
Day  
through  
St. Patrick's  
Day !

Life Saver Ministries

**2017 Love 4 Life  
Fundraiser**

**\$17 = 100#s  
of supplies-  
including  
diapers!**

Last year, over 40,000 diapers  
were distributed to assist  
families in our community!

*Dear Friends of Life Saver Ministries,*

*We are excited to share this special opportunity with you to be part of all God is doing in and through the work of Life Saver Ministries; in an effort to be as resourceful as possible in our stewardship over this ministry, we have been able to purchase many of the supplies needed for the families we serve at a reduced bulk rate of \$17 per 100 POUNDS. This makes it possible for us to purchase diapers, hygiene items, household goods and more to meet the needs of the woman and families we are committed to serving. These items are used as benefit items for class & workshop attendance. We provide a broad range of opportunities for women to come to our center and learn new skills, find new friendships, and create new beginnings through the freedom of the Gospel message. Last year alone we saw our client base grow to over 600 family members that have become part of our Soulutions family; here at the Soulutions Center of Life Saver Ministries we offer hope, help & healing all rooted in the Love of Christ.*

- Would you consider helping us to be fully funded for our supplies for the seasons to come by promoting this small fundraising effort? We are seeking individuals from your church or group to give a \$17 donation between Valentines Day & St. Patricks Day; Kindly mail a check payable to Life Saver Ministries to us at P.O. Box 407, Gloversville, NY, 12078.*
- If anyone would like to donate via credit or debit card, you may do so at [lifesaverheartbeat.com](http://lifesaverheartbeat.com)*

*Thank you for being part of this amazing opportunity to better meet the needs of the downtrodden and marginalized in our communities; together we can make a difference and impact generations to come!*
