DRESS CODE

Successful dancers are those who are dressed and ready to dance. At Edgez Dance we require students to have the correct shoes for each class, a water bottle, hair up and out of their face. Students choosing to wear leotards or shorts above the knee need to wear tights! Full dress code is on our website www.EdgezDance.com

LOBBY/DESK AREA

Please keep the walkway clear of crowding and objects as this pose a hazard for children, staff and other patrons trying to get by. Do not for any reason stand by the desk to block the doorway.

RECITAL 2020 "ANIMALZ"

Edgez Dance offers a spring recital each year that offers our students a professional environment for their performance. This allows them to present the results of a year's hard work, dedication, and progress to their families and friends. A huge part of dance training is learning through performance. Performance opportunities can not only prepare students for a possible career in dance, but contribute to success in other non-dance activities. Dedication to recital is the responsibility of both students and their parents. All students at Edgez Dance are expected to participate in our spring recital. We believe it can be discouraging to some students when they hear they are not going to be performing like every else, nor having pictures or getting a costume.
