- The Step Up Boxing (Box & Box) class offers Non Pro Limited competitors an opportunity to develop their skills in preparation for the fence work, without the ultimate challenge of turning or circling a cow. The class is geared toward providing a safe, fun environment for boxing riders to learn how to control a cow down down the fence in a competitive, yet low-key, situation.

Entries will have one minute and 45 seconds (1:45) working time. The NRCHA equipment and eligibility rules, as outlined in the 2016 Rule Book, will apply. Riders will box the cow, run and rate it down the long side of the arena, then set up and box it again on the opposite end.
