INVITATION

CEA Dental invites you to Lecture at the Annual San Diego Dental Convention to be held on June 19-20, 2020 and November 13-14, 2020 at the Marina Village Conference Center.

The ***San Diego Dental Convention*** is the first of its kind where numerous dental manufacturers, local organizations, dental societies and dental study clubs gather to learn about innovative dental technologies and procedures that are available to improve all dental careers.

By lecturing complimentary for CEA Dental, we offer an excellent opportunity for you to gain exposure within the San Diego dental community as well as educate attendees. CEA Dental will provide all Audio Visual equipment including: projectors, projector screen, wireless microphones as well as all other equipment required for your lecture (*please provide your own laptop, remote control mouse, handouts and presentation*).

Speakers will enjoy a Speaker Lounge where you can prepare for your presentation and meet other lecturers in a relaxed private atmosphere. CEA Dental strives to offer one of the most unique and entertaining Continuing Educational experiences for Speakers as well as attendees, in doing so, all we ask of you is to bring your own laptop, presentation materials and a smile. We hope that by providing you with the scenic environment of the San Diego Bay and classroom-style lecture rooms your experience with us will be optimum.

Please contact me about cost effective options for holding your own seminars to demonstrate and launch your products or services.

We look forward to you joining us at the Annual San Diego Dental Convention.

Thank you,

Chris Ippolito
