CLASS NOTES

In March we will be doing various fun themes.

At the beginning of the month we will explore opposite words -up, down - here, there - in, out, etc. We will introduce the lion and the lamb as opposite kinds of weather. Since we missed the whole week in January when we were going to do a unit on cats we will make up that week in March also. At the end of the month we will do activities related to Easter.

Welcome Spring!!
