

***Exciting SCCA News for students 5th Grade through 12th grade.
Lessons available at SCCA in the Youth Chapel on Tuesdays and
Thursdays during the school year.***

My name is Beth Pauley. I have been teaching lessons for over 30 years in various settings. I am a graduate of Appalachian Bible College with a degree in Bible/Music/Elementary Education. This fall I will be offering lessons at South Charleston Christian Academy. I will work with the teachers to find the best possible time slot for each student. I will get each student from their classroom as well as to return them after each lesson.

Specifics for lessons:

Cost: \$15/lesson (30 minutes)

This amount will be due at the time of the lesson and you will pay me directly. If you inform me a day in advance that you have to cancel, I will not charge for that lesson. Any no-shows on the day of lessons will still be charged for that lesson.

Requirements: Piano or keyboard. Your student must be able to practice throughout the week. I have had students in the past try to take lessons without a way to practice and that just doesn't work.

Piano Books: I will purchase these as needed for each student. Books will be \$25-30. This will usually last for the year.

Willing spirit: For a piano student to be successful they must be willing to do the work needed at home. Whenever a student does not have time to practice it only becomes a frustration for them. As a student is able to invest time in practice, they will progress and then there is joy in learning.

Lessons will begin on Tuesday, September 12. Please return the attached form to the school office, if you would like for your child to take piano lessons. If you have any questions, please contact me.

Thank you!
