

Local Gal Turns 100 Years Young

Cheerful, Juanita Anderson celebrated turning 100 years young on December 11th, 2018.

Juanita has lived in the same Sandwich house, located right across the street from her childhood home, since she was married. She often reminisces about the “boys” who would come down from Aurora to go square dancing with the “girls” from Sandwich. Juanita rarely missed attending the Sandwich Fair. Her daughter Linda, a travel agent, brought her on many world travels. Juanita was an excellent seamstress and is a dedicated member of the Federated Church.

She was a volunteer for Fox Valley Older Adults for many years. She now enjoys the benefits of being a client of their Adult Day Service program. Juanita still loves to be busy, even at 100, and enjoys the many activities at FVOAS. She is a precise and enthusiastic laundry folder, influenced by her seamstress abilities.

She loves her 6 grandchildren 15 great and 7 great-great! Lovely, energetic Juanita cherishes FVOAS as they do her. Adult Day Service provides families and their loved ones, emotional, mental and physical well-being in a safe environment during the day, allowing the client to still be able to live at home.
