Crow Canyon Country Club and our 2021 Summer Junior Tennis Program

Our Summer Clinics are designed for juniors and children of all ages and abilities. These clinics are instructed by USPTA Certified Professionals assisted by College/High School team tennis players. Our goal is to teach all the skills associated with the sport of Tennis. Staff will incorporate R.O.G. (Red, Orange, Green) balls for the younger students. R.O.G. Tennis follows the same logic as other youth sports, similar to baseball or soccer, which also uses kid-sized equipment. Crow Canyon's program has been in place for over 30 years and we continue to develop tennis players who compete at both the High School and College levels. Our Tennis Staff is very passionate during instruction and strives to make it a "FUN FOR ALL" learning experience. Whether you are looking for a social life-time sport or the thrill of competition, the Crow Canyon Tennis Staff is qualified and enthusiastic to help you achieve your own individual goals.
