

Duval Update
8/14/18

Duval plans to sell to KB homes now that KB has acquired Landon Homes. KB and Duval will work together to develop Las Casitas. According to Duval and KB the development will start soon. No definite time frame is available.

The deed to PP3 was escrowed until PP1 and PP2 are expanded and until the pipe at the weir is repaired. The Board negotiated a number of changes in the original agreement that will benefit Matanzas Shores.

A more detailed report will be sent to the Parcel Presidents.
