To the Sherburn and Welcome City Councils,

December finished rather busy for the department. We logged 151 calls for service for the month which brought our total for the year to 1,866. This was up significantly over any previous year for the department. As an example, the department had a total of 1,493 calls in 2013 and 1,438 calls in 2012. This represents a nearly 25% increase in call volume for the department in 2014 over previous years.

The response time for the department averaged nine minutes. This is reasonable for the department considering we cover two communities; however, it is higher than what is average for the department in comparison to prior months.

We will be working on completing the year-end report with the hope of having this available by the end of January.

I would like to acknowledge Mayor Bocky Borchardt for his many years of service on the Police Commission. Mayor Borchardt was the last of the original members of the commission and his service has been greatly appreciated. Mayor Neville will be replacing Mayor Borchardt on the commission and has served on the commission in the past when he was the Mayor of Welcome. Welcome back!

Hope everyone enjoys a great start to the new year.
