

This World is not My Home

Verse 1

Sometimes I look around me there's trouble everywhere

Destruction is all I see

Wars and rumors of wars but I don't let it bother me 'cause I know I'll soon be gone

Chorus

This world is not my home I'm just a pilgrim passing though living just for you

This life is not my home because your love is true I give it all to you

Let the storm clouds roll I have peace in my soul because this world is not my home

Verse 2

Sometimes I feel so weary darkness everywhere and the path is hard to see

I feel so alone but I won't let it bother me 'cause I know I'll soon be home
