From the President's Desk:

I would like to welcome our new board members, Sarah Chenowith and Greg Ziegler, and the return of Chet Wise. They will bring fresh ideas and thoughts to the board. This month also begins my 3rd and final year of this term representing you, the membership, as your club president. I thank you for your confidence, and hope to serve you well. Please reach out to the board at any time with questions

and comments, we are always open.

Our big thing this month is the preparation for and arrival of our trout for this season, please read the blurb, and help out where you can, there is much yet to do, and many hands....

By the time you get this, the annual sandwich sale will be in the books, and another successful day for Peggy.

As the summer winds down, we will be doing a few things around the club in preparation for winter, watch for announcements from buildings and grounds. B&G Chair Howard is looking for a successor. If you would be interested in caring for our B&G, please reach out to me.

FREE Gun Law Seminar – October 22, 2019 6:30-8:30pm at the Club House! The Laws of Concealed Carry and Interstate Travel

Do you carry for protection? Do you plan on traveling throughout Pennsylvania and beyond its borders with your firearm? If the answer to either question is "YES" then plan on attending the Laws of Concealed Carry and Interstate Travel seminar and hear first-hand from experienced firearms attorneys about the laws of concealed and open carry, gun-free zones in Pennsylvania, and considerations for legally traveling armed in other states. Arm yourself with knowledge, because "I didn't know. . ." is not a valid legal defense.

JUNIORS

Hi Juniors!

Hello juniors this month will be the annual fishing trip Limestone Springs. The plan is to leave the junior clubhouse at 8am on 9/22. We will do our fishing, then head over to the Middle Creek hunting and fishing day. I have a few extra seats available to take some kids if parents want. I would advise a packed lunch and a cooler to

keep your fish. I will also pack some snacks for everyone. Please let me know if you have any questions. Also, this month's meeting we will attempt the campfire again if the weather cooperates. Thanks, *Sarah Chenowith*

IWLA Juniors are our kids. Ages 8 to 18, our kids are very active! Fishing trips, 3D archery shoots, making bird houses, help in raising trout & pheasants, community service projects and much more! Membership is only \$20.00 per year. Meetings are the 3rd Tuesday of the month, 7pm at the IWLA grounds, Juniors Clubhouse.

Visit our Junior Page for more information:

OTHER NEWS

Orientations - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2019 will be Sunday, October 6th, Sunday, November 3rd, and Saturday, December 7th. All of these are at 2:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse. Prospective new members should be reminded that our dues are by the calendar year now.

Buildings and Grounds - Our next work detail will be Saturday, September 21st at 9:00 am and we'll probably be doing some painting, pressure washing and yard work. Dress accordingly and bring relevant tools. We will also have one in October on Sunday the 6th. These fall work details are very important and there is much to be done so put them on your calendars now.

State Division Meeting - The Penn State division of Izaak Walton League of America will hold it next meeting on Saturday Sept. 28, at 9:00 am at Hoss's Restaurant in Bedford Pa. just off Pa. turnpike for more information contact Dan Blair at (717) 586-9715. All are Welcome!

Road Cleanup - On September 21 we will be doing a road clean up starting at 8:00 am. meeting at the club house. Coffee and donuts to get you started. Hope to see you come out and support this event.

Clearance Forms - Pennsylvania requires anyone working with children (without their parents or legal guardian accompanying then). That will also mean if 17 year old kid drives to a work detail without his/her parents and there is someone on work detail without their clearances one of them are going to have to leave. I am working on collecting these clearance forms from our members. I have quite a few and I do have a list people and expiration dates. Please don't assume I have your name. At the general meeting I will have an updated list and the forms for anyone in need of them. Any questions contact Sarah Chenowith 717-841-5136 or juniors@yorkiwa.org

Fun Shoot August's FunShoot was fun as usual, 40 shooters, a dozen or so new folks, with 3 new juniors, one was 8! Red Dawn stage is always a hit!

Our Next FunShoot is sheduled September 28th.

Our FunShoots are a nice, low stress way to just have some fun. They are non competitive in nature, and designed with the new shooter in mind. That is not to say they are totally easy, we mix in moving things like rotating stars, and small stuff far away. For more info visit our FunShoot page, <http://www.yorkiwa.org/funshoots.html>, and watch our blogspot, <https://yorkpistol.blogspot.com>, for all announcements concerning our shooting programs.

Falling Steel PA Falling Steel Match October 13th.
The match will consist of 7 stages, 25-35 targets per stage.
175-200 total.

- All knockdown steel will be used.
- Squads will be limited to 12 shooters per squad (72 shooters per time slot). If the time slot you requested is filled, you will be notified and given the option to select another one, if available.
- Shooters may shoot in four divisions; however, you must shoot in two different time slots.
- You may shoot as "Single" meaning you shoot by yourself, or as "Team" meaning you and another shooter will be shooting each stage simultaneously. In theory, each teammate only has half the targets, and each team only pays one entry fee.

\$40 per time slot. Registration for that match has already begun, visit our website for information and the registration form at:
<http://www.yorkiwa.org/pa-falling-steel-championships.html>.

USPSA 67 shooters turned out for our August USPSA match. We had great weather, and even with the big turnout shooting was finished around 1:30 PM. Congrats to the winners: Open - Dave Healey; Limited - Nick Reynolds; Production - Bennet Boyer; Single Stack - Andy Pershall; Revolver - Rob Naulty; Carry Optics - Jeff Emrich; PCC - Gary Parsons

Our next match will be on September 15th, with setup on Friday the 13th starting at 10:00 AM. All ranges will be closed on the day of the match until the match is finished. The ranges should open by 3PM. Setup for the match will be Friday Sept 13th starting at 10AM.

TROUT COMMITTEE

The weekend of Aug 31st was awesome! Once again, over the course of two days, about 2 dozen folks put in over a combined 100 man-hours. Thank you so much! We got a lot of cleanup cleaned up, some work on the raceway, the rebuild of the air system was begun and the filter box has new covers.

We are now in a small waiting pattern for the contractors to complete their work, and then we will go at it again the weekends of September 14th and 21st. We will be washing down everything one last time, installing filters and weirs in the filter box, weirs and screen dividers in the raceway, installing the new aerators and flooding the raceway. Any help is very much appreciated, no matter how much or how little. We expect the arrival of 14,000 trout the last week of September..... Then the fun really begins!

Thank you all for your support.

Want to help? No experience necessary, any age can help!

FAMILY PICNIC

Another great picnic this year! Thank you all for coming out! The weather was beautiful, Chicken was good as were all the dishes everyone brought! About 90 people attended. Car-man's ice cream...always a hit! Can't wait till next year!
