OBSERVATION: waffle cone area-outside of cone maker, outside of chocolate warmer and wall need cleaned

Inspection Outcome

Comments

Icing Best by January 2017

*Complaint from customer-Employee scooping ice cream with dirty hands/no gloves. Paid for ice cream but would not eat it. Child with customer observed employees dirty hands.

Handwashing a must! Dunkin/Baskin doesn't require gloves when ice cream scooping But hands must be clean or a different type glove should be worn(that clings to hand)
