## Presidents Report

### “My Turn” March 2017

It may still be cold outside in March, but we all know that spring is not far away. When we hear the birds chirping we know it's time to get our cars out and give them some exercise. Plan on driving your car to the March meeting at Roma's if the weather is good.

I'd like to say that it is a pleasure to be the president of a club with such a rich history. I have pride in the individuals who make our club so successful. I'm looking forward to everyone continuing to maintain their level of involvement, participation, and contribution to the club. All of our hard work and friendship comes from members who really care about each other and the club. It's great to have the support of so many members which makes my job as president easier. Let's have some good times this year and enjoy each other's company.

Let's make this the best newsletter we can by providing pictures and articles of any event you attend. Also, dust off some of the articles you may have submitted before and submit them again. You can submit them directly to Maureen our editor.

Looking forward to seeing everyone at our first Stan's cruise-in of the year on April 21, 2017 from 5:00-8:00 PM. Let's show everyone all the hard work we've be doing to our vehicles over the winter. It's always good to eat some of Stan's food and it's never too cold to eat ice cream. The Hard-TO-Tell band will be providing the live music again this year. We need to show Marty and the band our support by putting some money in the tip jar.

We've got a lot of work ahead of us to support our car show on May 20, 2017 from 8:30 AM – 3:00 PM. We'll announce car committee meetings and hope you can help. There is a multi-car discount this year so enter more than one car. Please work on distributing the flyers and sell the raffle tickets. Ron Cook has raffle tickets and flyers if you need more.

Hope to see you at our next car club event.

Ted

### **Words from the Snowbirds!**

This winter in Florida has been warmer than usual and we have been busy. While the 36 sits in the garage in VA, I have been busy with the truck this winter. I transported the truck to Florida via the auto-train from Lorton to Sanford. It was a pleasurable trip and very reasonably priced. Much cheaper than a transport. Under \$400 for myself and the truck. The seating was very comfortable and the meals were great.

During the winter, I installed a new turn signal switch, dual exhaust and new shocks. Additionally, I replaced the intake and valve cover gaskets and rebuilt the carb. With funds depleted, more work will have to wait until next winter.

The truck is running great and seems very dependable as secondary transportation. Our plans are to keep the truck in Florida.

In January, I attended the Mecum Auction. Quite an adventure as hundreds of classics rolled across the red carpet. Prices went from \$5,000 to over \$200,000. It was a great adventure.

I belong to two clubs in Florida. A local club called the Roman Oldies and a local chapter of the National Chevy Cub (VCCA). I was delighted to receive trophy for show favorite at a local fundraiser car show. Well that about rounds it up for this winter. Hope that your winter was as enjoyable.

See you all soon in VA!

God Bless,

*Andy and Maureen.*
