

## Far East Prisoners of War Association ( FEPOW )

The Far East Prisoners of War Association is made up of both Military and Civilian Prisoners of War.

Our Plymouth branch chairman was a Dutch child prisoner of war himself, entering the camps at such a young age.

The local branch is also made up of the Children of FEPOWS under the umbrella of COFEPOW where we meet up once a month for a formal format followed by a nice lunch.

Throughout the year we also hold social gatherings along with attending Services of Remembrance at the Rowan Tree of Peace. This is located outside of St. Andrews Minster Church of which this was replaced in 2015. Both dates for the Services are August 15<sup>th</sup> VJ Day at 11:00 and Remembrance Sunday at 15:00.

Any new members are welcome to come along and join us for the services or attend a meeting.
